MN'S OPEN INVITATION TO YOU

Dear Fellow Nurseryman:

Coming our way? We hope so!! You'll find that MN's latch string of hospitality is always out and waiting for you whenever business, pleasure, or the '56 AAN Convention bring you to Southern California.

Visiting our historic ranchos will make a wonderful side trip for you and your family. We are just minutes north of U. S. Highway 66 and only an hour from the heart of Los Angeles by freeway.

We are sure you will like the way we have retained in our offices and grounds the authentic Spanish atmosphere of our historic property. Outside under huge trees is a swimming pool for your pleasure. If you are a tired traveler or a weary conventioneer our shady porch or a stroll through our park will give you a feeling of peace and contentment.

As a progressive nurseryman you will be interested particularly in our vast growing operations—when you tour the grounds you will see millions of healthy container grown plants in all stages of development—varieties grown for every part of the United States. You will also see the large lath houses filled with shade loving plants such as Camellias, Azaleas, Aralias, Aucubas and also the “tropical terraces” where we grow our Hibiscus, Bougainvillea and many other subtropicals at an ideal frost free elevation. You'll see the reservoir which traps the pure melted snow water which is so essential for growing healthy plants.

In short you'll see what makes MN “tick”. We'll do our best to make your moments with us one of the highlights of your Southern California trip. Now don't forget. . . we're looking for you!!

Cordially,

Harry E. Rosedale

**BETTER PLANTS
BIGGER SALES
*for you . . .***

1. HEADQUARTERS OF MN'S operation is this authentic Spanish ranch house, remodeled inside for top administrative efficiency.

2. CUTTINGS, carefully selected from the best parent stock, are made and flatted here by trained MN workers.

3. **PROPAGATING FRAMES** keep cuttings protected to insure sturdy, fully developed root systems.

4. **MILLIONS** of liners of all varieties are grown here for profitable growing on later.

5. **BED AFTER BED** of gallon size plants stretch into the distance. Soft snow water fills the reservoir in foreground.

6. **WORLD'S LARGEST** volume of five-gallon plants occupies acres at MN. Skilled growing keeps them vigorous and beautifully shaped.

7. **SAFETY-PACKING** in light weight cartons protects your order, keeps freight costs down.

8. **NURSERIES** near and far receive plants from this shipping dock. Careful loading insures plants arriving in top condition.

CONIFERS

Your customers often ask for plants that need little care but are still attractive the year 'round. We suggest CONIFERS, the hardy evergreens that are such a graceful, beautiful asset to any landscape. Conifers grow in all sizes and shapes — from low growing ground covers to towering trees. The MN label is your assurance of the finest conifers — vigorous healthy plants with husky root systems. Order MN container and pot grown conifers.

	2¼" Pot	1-Gal.	5-Gal.
ARAUCARIA imbricata (A. araucana). Monkey Puzzle Tree (7)	---	---	3.50

A pyramidal tree with strangely twisted branches covered by sharp-pointed, deep green needle-like leaves. Used effectively in tubs.

CEDRUS atlantica (Seedlings). Atlas Cedar (6)	.18	.60	2.00
--	------------	------------	-------------

Large growing pyramidal tree with branches of blue-green foliage arranged in formal patterns. These are grown from seeds and will vary in color and form.

B & B 3'-----4.00 4'-----5.00

Cedrus atlantica glauca (Seedlings). Blue Atlas Cedar (6)	.18	.60	-----
--	------------	------------	-------

Similar to Cedrus atlantica except the foliage is a sparkling silvery-blue and more compact. There will be some variation in color and form.

Cedrus deodora. California Christmas Tree (7)	.20	.60	2.25
--	------------	------------	-------------

One of the finest large conifers for the Southwest. Makes a tall spreading pyramidal tree of fine silvery gray-green foliage.

B & B 3'-----3.00 4'-----4.00 5'-----5.00

Cedrus libani. Cedar of Lebanon (5)	.18	.60	2.00
--	------------	------------	-------------

A picturesque tree of scriptural interest. Needles are a blue-green and are quite stiff. Growth is pyramidal and rigid.

MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety.

25 in 2¼" lining-out stock

25 in 3" lining-out stock

10 in 1-gallon containers

5 in 5-gallon containers

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$20.00 or more. This minimum also applies to local deliveries.

CUPRESSUS arizonica gareei (5)

Grafted to retain the best qualities of Arizona Cypress in an improved form. Grows upright, displaying handsome silvery-blue foliage on branches of distinct whipcord texture. Hardest of the Cypress.

1-gal. -----	.85	5-gal. -----	2.50
---------------------	------------	---------------------	-------------

Cupressus arizonica (Seedlings). Arizona Cypress (6)	.15	.45	1.75
---	------------	------------	-------------

Tall fast growing pyramidal conifer with blue-green foliage. Used for reclamation work in deserts and rocky slopes and as a windbreak.

2-gal. -----1.45

JUNIPERS IN 1-GALLONS
1. *Juniperus virg. burki* 2. *Juniperus c. armstrongi* 3. *Juniperus c. pfitzeriana*

	2 1/4" Pot	1-Gal.	5-Gal.
Cupressus arizonica pyramidalis (Cuttings) (6)20	.60	2.00
A new very symmetrical compact form of Arizona Cypress having an intense silver blue-green color.			
2-gal.			1.60
Cupressus sempervirens glauca. Blue Italian Cypress (7)20	.50	2.00
This is the best Italian Cypress. Grows into a narrow dense column having deep forest green foliage with bluish cast. Cuttings taken from choice stock to insure the true type.			
2-gal.			1.50
GINKGO biloba. Maidenhair Tree (4)18	.50	2.00
A deciduous open-growing conical tree with artistic fan-shaped leaves of bright green turning golden yellow in the fall. Most hardy and disease resistant.			
JUNIPERUS chinensis armstrongi. Armstrong Juniper (3)20	.60	2.00
The most outstanding semi-erect conifer with a symmetrical birdnest-like habit of growth. It has the vigorous growth of the pfitzer but the foliage is a brighter green.			
3" pot35	2-gal.	1.50
5-gal. globe			2.50
Juniperus chinensis columnaris. Chinese Column Juniper (3)25	.75	2.50
Tall growing, erect conifer with blue-green foliage. Cuttings taken from choice stock to insure bluish compact foliage.			
3" pot45	2-gal.	1.65
B & B 3'	3.00	4'	4.50
5'			6.00

JUNIPERUS
TAMARISCIFOLIA

JUNIPERS IN 5-GALLONS
JUNIPERUS
ARMSTRONGI

JUNIPERUS
KETELEERI

JUNIPERUS
PFITZERIANA BLUE

Juniperus chinensis keteleeri. Keteleer Juniper (4)25 .75 2.75
Bright green, loosely arranged foliage is outstanding for pleasing accent in groupings. Ascending branches create desirable, wide pyramidal shape.
3" pot......45

	2 1/4" Pot	1-Gal.	5-Gal.	
Juniperus chinensis neaboriensis (3)25	-----	-----	
Upright conical form. Green-gray foliage.				
Juniperus chinensis pfitzeriana. Pfitzer Juniper (3)18	.60	2.00	
Undoubtedly the most useful Juniper. Semi-erect in form, its soft gray-green foliage captivates everyone.				
3" pot35	2-gal.	1.50 5-gal. Pyramid	2.75
Juniperus chinensis pfitzeriana Blue. Blue Pfitzer (3)20	.60	2.00	
Like the Juniperus pfitzeriana in form, but the foliage is a soft silvery-blue color and more feathery.				
3" pot35	2-gal.	1.50 5-gal. Pyramid	2.75
Juniperus chinensis pfitzeriana compacta. Compact Pfitzer (3)20	.60	2.00	
Much more compact and dense in growth than the Juniper pfitzer. Also shears well to form topiary subjects. Blue-green foliage.				
3" pot35	2-gal.	1.50	
Juniperus chinensis torulosa. Hollywood Twisted Juniper (4)25	.75	2.25	
This very artistic growing shrub combines well with modern architecture. The distinctive stems assume a twisted appearance.				
3" pot45			
Juniperus chinensis torulosa variegata.				
Variegated Hollywood Juniper (4)30	1.00	2.50	
Similar to Juniperus torulosa except it is slower in growth and the foliage is attractively accented with a creamy yellow variegation.				

	2¼" Pot	1-Gal.	5-Gal.
Juniperus communis depressa plumosa (3) _____ Low growing. Gray-green sharply pointed foliage.	.20	.60	2.00
Juniperus communis hibernica fastigata. Narrow Irish Juniper (6) _____ A very narrow erect plant, small in size, blue-green in color, providing many uses.	.18	.60	_____
Juniperus communis kiyoni (3) _____ Upright columnar growth. Foliage is a dense medium dark green.	.18	.60	_____
Juniperus communis suecica nana. Swedish Juniper (3) _____ Narrow columnar form having blue-green foliage. Growth is compact making it very neat appearing.	.20	.60	_____
Juniperus conferta. Shore Juniper (5) _____ Prostrate and spreading, the attractive light-green foliage is unaffected by sun or salt wind. It's excellent for ground covers or planters.	.25	.60	2.25
Juniperus excelsa stricta. Spiny Greek Juniper (4) _____ A columnar, semi-dwarf juniper with sharp spiny foliage of blue-green color.	.18	.60	_____
Juniperus japonica San Jose. San Jose Spreading Juniper (4) _____ One of the best prostrate junipers. Sage-green, compact foliage. Very desirable.	.25	.60	_____
Juniperus sabina horizontalis BarHarbor (3) _____ Low growing. Foliage in summer a soft blue, turning in winter to a deeper blue with undertones of plum.	.20	.60	_____
Juniperus sabina tamariscifolia. Tamarix Juniper (3) _____ Best known of the slow growing, low spreading junipers. Very hardy and useful for bank cover. Blue-green foliage. 3" pot _____ .35 2-gal. _____ 1.50	.22	.60	2.00
Juniperus scopulorum Blue Haven (4) _____ Neat pyramidal growth, this Juniper's foliage is the most blue in appearance of any we grow.	.25	.75	2.75
Juniperus scopulorum Chandler Silver (4) _____ Pyramidal, compact form having an attractive, bluish-silver color.	.25	.75	2.75
Juniperus scopulorum Colorado Green (4) _____ Columnar growth. Neat green foliage.	.25	.75	2.75
Juniperus scopulorum columnaris sneedi (4) _____ Columnar form, having compact green-blue foliage.	.25	.75	2.75
Juniperus scopulorum Dewdrop (4) _____ One of the finest upright junipers we grow. The very compact form almost appears sheared. Small green needles.	.25	.75	2.75
Juniperus scopulorum erecta glauca (4) _____ Excellent selection when an upright pyramidal juniper is needed. Feathery, silver-blue foliage. Neat grower.	.25	.75	2.75
Juniperus scopulorum Pathfinder (4) _____ Pyramidal form, blue-gray cast to foliage always makes a pleasing accent.	.25	.75	2.75
Juniperus scopulorum White's Silver King. Pat. No. 1186 (4) _____ Exciting dwarf spreading Juniper to ten inches with a charming silver-blue color winter and summer. Valuable as ground cover or specimens.	_____	_____	3.50

	2¼" Pot	1-Gal.	5-Gal.
Juniperus squamata meyeri (4)22	.75	2.25
Has the advantage of appearing multi-colored. Excellent for informal plantings because of its bushy upright, irregular habit of growth.			
Juniperus virginiana (seedlings). Eastern Red Cedar (2)15	---	---
Pyramidal, symmetrical tree with attractive foliage.			
Juniperus virginiana burki. Burk Red Cedar (2)25	.75	2.75
Narrow pyramidal and of course, dense, steel-blue foliage. In fall the color changes to an attractive reddish cast.			
3" pot.....	.45		
Juniperus virginiana canaerti (2)25	.75	2.75
Extremely rich, dark green foliage. Continues its rich color all year. Grows in pyramidal form. Very hardy.			
Juniperus virginiana cupressifolia Hillspire Juniper (2)25	.75	2.75
Heavy dark green whipcord foliage, grows in compact pyramidal form.			
Juniperus virginiana cupressifolia glauca (2)25	---	---
Columnar upright growth with blue-green heavy foliage.			
Juniperus virginiana glauca. Silver Red Cedar (2)25	.75	2.75
One of the few conifers that grows anywhere. Pyramidal form, silvery-blue foliage.			
3" pot.....	.45		
Juniperus virginiana hilli. Dundee Juniper (2)25	.75	2.75
Choice upright columnar juniper. Attractive gray-green foliage in the summer turning a plum color in the winter.			
Juniperus virginiana kosteri (2)20	.60	2.00
Bluish-green in color with a low spreading habit of growth. Branches are long and rigid.			
LIBOCEDRUS decurrens. Incense Cedar (5)18	.60	2.00
Tall, compact, pyramid of deep green. Very symmetrical. Grows easily. A native of California.			
PINUS attenuata. Knob-Cone Pine (7)18	.50	2.00
Picturesque tree of medium height with grayish foliage. Invaluable for hot dry locations.			
Pinus canariensis. Canary Island Pine (7)18	.50	2.00
Tall, slender pine tree making rapid growth. Long needles in large tufts make this a fine specimen. New growth silvery blue.			
Pinus halepensis. Aleppo Pine (7)18	.50	2.00
A fast growing pine recommended for dry locations. Needles bright green.			
Pinus mugo mughus. Swiss Mt. Pine (2)20	---	---
A popular dwarf growing, many stemmed variety of an attractive shade of green. This is a variety of the Swiss Mountain Pine.			
3" pot.....	.35		
Pinus pinea. Italian Stone Pine (7)18	.50	2.00
Tall growing tree with long, spreading branches; forming in older trees a broad, flat-topped head. A tree of picturesque habit.			
Pinus radiata. Monterey Pine (7)18	.50	2.00
Fast growing pine for quick effects. Very bushy when young. Bright green needles. Makes a medium size tree when older.			
Pinus sylvestris. Scotch Pine (2)15	.50	---
One of the hardiest of pines. Good growing characteristics. Very picturesque.			

	2 1/4" Pot	1-Gal.	5-Gal.
Pinus sylvestris regensis (2)15	.50	-----
Same type of foliage as the Pinus sylvestris but is more erect. Taller in growth with longer deep green needles.			
Pinus thunbergi. Japanese Black Pine (4)18	-----	-----
Picturesque pine with broad pyramidal type of growth. Showy blackish gray bark and sharp bright green needles.			
PODOCARPUS elongatus (9)	-----	1.00	-----
Beautiful, evergreen trees with long yew-like leaves having irregular structure and branchlets. The dark, blue-green leaves are soft and narrow. Grafted.			
5-gal. 3'.....2.75 5-gal. 5'.....3.50 5-gal. Espalier.....6.00			
Podocarpus macrophylla. Yew Podocarpus (7)18	.50	-----
One of the finest, evergreen, specimen shrubs. Often trained by slight pruning to make a tall, slender column of deep green narrow leaves.			
5-gal. 3'.....2.00 5-gal. 5'.....2.75			
Podocarpus macrophylla maki (7)18	.50	-----
Grows more compact and its yew-like leaves appear more rigid than Podocarpus macrophylla.			
5-gal. 3'.....2.00			
Podocarpus nagi (7)25	.75	2.50
The deep green yew-like leaves are wider and more rigid than other podocarpus. Vigorous erect stiff growth.			
SEQUOIA gigantea. Giant Redwood (6)25	.75	2.50
The "Big Tree" of the Sierras. Attractive, neat-looking blue-green foliage, forming a perfect cone as it grows. Grows slowly.			
3" pot......45			
Sequoia sempervirens. Coast Redwood (7)20	.60	2.00
Tall, narrow evergreen tree producing a straight trunk with reddish bark and narrow spreading, deep green foliage. Fast growing hardy conifer.			
TAXUS media hicksi. Hicks Yew (4)	-----	-----	2.50
Evergreen, of very good conformation, upright in growth with ascending branches. Foliage is a bright dark green.			
THUJA occidentalis compacta (2)20	.60	-----
Pyramidal growth and compact, dense, dark green foliage.			
Thuja occidentalis douglasi (2)20	.60	-----
The foliage is short, dense and very green in color and is arranged in small curled or twisted clusters resembling a cockscomb.			
Thuja occidentalis elegantissima (2)20	.60	-----
Light green foliage with bright gold tips, pyramidal in growth with ascending branches.			
Thuja occidentalis pyramidalis. American Pyramidal Arborvitae (2)18	.60	2.00
Very valuable for landscaping. Extremely well adapted for colder areas. Compact formal outline.			
Thuja occidentalis rosenthali (2)20	.60	-----
A pyramidal form with dark lustrous green foliage.			
Thuja occidentalis Woodward Globe (2)18	.60	-----
Vigorous growing arborvitae forming a natural globe. Foliage a dark green and holds its color well through winter.			
2-gal.....1.50			

2 1/4" Pot 1-Gal. 5-Gal.

Thuja orientalis aurea nana. Dwarf Golden Arborvitae, Berckman's Golden Arborvitae (5)20 .60 2.00

Most popular dwarf arborvitae. Slow growing, dense and shaped like a pointed globe. Fern-like branchlets bright golden yellow all year around.

3" pot......35 2-gal.....1.50

Thuja orientalis bakeri. Baker's Arborvitae (5)18 .60 2.00

A compact growing pyramidal arborvitae. Foliage has a light green color. Very good as a taller accent conifer. Better for hot, dry locations.

3" pot......35

Thuja orientalis beverlyensis. Beverly Hills Arborvitae (5)20 .60 2.00

Slender growing conifer, bright golden yellow foliage, on new growth.

3" pot......35 2-gal.....1.50

Thuja orientalis Blue Cone (5)18 .60 2.00

Upright, pyramidal thuja with especially compact foliage having a blue cast that harmonizes well with other foliage.

3" pot......35

Thuja orientalis Bonita Upright (5)18 .60 2.00

A most perfect symmetrical cone-shaped green arborvitae never growing over 5-6' in height. Very desirable.

Thuja orientails compacta. Compact Arborvitae (5)18 .60 2.00

Attractive, compact, globe-shaped conifer with bright green dense foliage.

Thuja orientalis elegantissima (5)18 .60 2.00

Very bushy and wide at the base, narrowing sharply to the top. Bronzy golden green during summer and holds its color especially well during winter.

3" pot......35

Thuja orientalis pyramidalis. Green Pyramidal Arborvitae (5) .18 .60 2.00

Tall narrow pyramid of compact deep green foliage. One of the best arborvitaes for accent planting.

WIDDRINGTONIA juniperoides (8)25 .75 -----

Tall symmetrical growing evergreen tree from South Africa. Blue-green foliage.

Each plant in this package is tagged with a “life-size” Picture Bloom.
Plants will be selected for quality entirely. We do not promise buds.

CAMELLIA PICTURE BLOOMS

Give You Year ‘Round Sales and Fast Turnover

Your camellias don’t have to be blooming to be fast sellers! Free MN artificial blooms (so realistic many customers think they’re real at first glance) make them sell 12 months of the year. They make instant plant identification easy, too. They’re in full color, water-resistant, fadeproof, last for six months or more! Each plant you purchase from the varieties marked with “*” will carry one of the picture blooms on 1, 5 and 7 gallon plants.

***Tagged with Picture Blooms.**

***ADOLPHE AUDUSSON**

Very large, semi-double, dark red, occasional flowers appear that are spotted white. Blooms midseason.

***ALBA PLENA**

Large, formal double, white flowers with imbricated petals. Medium sized shrub. Blooms early.

BELLA ROMANA

Rose-form, light pink profusely striped double flowers splashed with carmine. Vigorous grower. Blooms midseason.

***BLOOD OF CHINA**

Large semi-double with deep salmon-red petals. Vigorous, upright grower. Blooms late.

***C. M. WILSON**

Light pink anemone form, spreading type of growth. Sport of Chandleri Elegans. Blooms midseason.

***CHANDLERI ELEGANS VARIEGATED**

Large anemone form rose-pink mottled with white, medium rate of growth. Blooms midseason.

CINDERELLA (Patent No. 1281). See picture and description, page 17.

***COLONEL FIREY**

Large formal flowers dark red in color lightened toward center. Compact upright grower. Blooms midseason to late.

***COVINA**

Semi-double rose-form, vigorous bushy growth, rose-red flowers. Blooms midseason to late.

***DAIKAGURA VARIEGATED (Kiyosu)**

Large peony type rose-red splotted with white. Slow compact upright growth, dull green foliage. Blooms very early.

***DEBUTANTE (SARA C. HASTIE)**

Large, light pink tightly formed peony type. Very vigorous grower, heavily serrated, light green foliage. Early bloomer.

ELEANOR HAGOOD

Medium to large formal, pale pink flowers. Vigorous upright growth. Blooms late.

***EMPEROR WILHELM (Gigantea) (Magnolia King)**

Huge, semi-double to peony form. Rich red flowers marbled with white. Vigorous upright loose growth. Blooms midseason.

***ENGLISH DONCKELARI**

Very large semi-double red marbled white in varying degrees. Slow bushy growth. Blooms midseason.

GENERAL ORNAMENTALS

	2¼" Pot	1-Gal.	5-Gal.
ABELIA Edward Goucher. Pink Abelia (5)15	.45	1.75
Versatile shrub with shiny, deep green leaves, tinted with an amber hue. The dainty, clear pink flowers are produced all summer.			
Abelia grandiflora. White Abelia (5)15	.45	1.75
A very hardy shrub of medium size with small shiny, deep green leaves. White flowers are borne most of the summer.			

Abelia grandiflora prostrata (Patent No. 1431). Prostrate White Abelia (6)

This low growing horizontal type shrub fits right in with modern landscaping ideas. It's perfect for ground covers and bank plantings. Even in this beautiful new form it retains the graceful arching branches, attractive white summer flowers, deep green glossy leaves and hardiness of traditionally popular Abelia grandiflora. Must be sold with patent tags attached. See picture on back cover.

2¼" pot30 1-gal.60

ACACIA baileyana. Fern Leaf Acacia (9)15	.50	2.00
Medium-sized evergreen tree with a round head of blue-green fern-like foliage and masses of fluffy yellow flowers in late winter and spring.			
Acacia cyanophylla. Blue Wattle (9)15	.50	2.00
Evergreen tree to 30'. Produces masses of little golden ball-like flowers; has long narrow light bluish leaves.			
5-gal. bush-type	1.75		
Acacia longifolia floribunda. Everblooming Acacia (9)15	.50	2.00
Small round headed evergreen tree with bright yellow fluffy flowers, appearing most of the year.			
Acacia latifolia. Bush Acacia (9)15	.45	1.75
A small evergreen tree or large bush with long green leaves, produces masses of yellow flowers in spring.			
Acacia melanoxylon. Blackwood Acacia (9)15	.45
Fast growing, evergreen tree that produces a dense head of dark foliage, brightened in the spring with creamy-yellow flowers.			
Acacia podalyriaefolia. Pearl Acacia (9)20	.50	2.00
Beautiful small evergreen tree with roundish oval, silver-gray leaves and rich yellow flowers in long clusters.			
ACALYPHA wilkesiana. Chenille Plant (10)18	.50
Vigorous, evergreen shrub with dense, multicolored foliage, a bronze-green accented with variations of white, orange, red and brown.			

MINIMUM ORDERS

A beautiful evergreen tree with fern-like foliage. Grows to approximately 25 feet. Bright golden flowers appear in spring.			
ALNUS cordata. Italian Alder (5)18	.50	2.00
A strong, fast growing medium sized symmetrical tree. Deciduous.			
Alnus glutinosa. Black Alder (5)18	.50	2.00
Large, fast growing deciduous tree with multiple trunks. Deep green rounded leaves.			
Alnus rhombifolia (A. Californica). White Alder (7)18	.50	2.00
Deciduous tall growing shapely tree with dense rich green leaves. Grows quickly.			
Alnus japonica. Japanese Alder (5)20	----	-----
A deciduous tree with attractive narrow shiny green wedge-shaped leaves. Fast vigorous grower.			
ALSOPHILA australis. Australian Tree Fern (10)25	1.00	3.50
Beautiful slender graceful stems and spreading light green fronds. Grows best in light shade.			
3" pot45		
ALTHAEA. Rose of Sharon (5)			
Popular deciduous shrub of the hibiscus family producing an array of color during the summer months. Lush green foliage. Very hardy.			
Althaea alba—White18	.50	1.75
Althaea coelistis—Deep Blue18	.50	-----
Althaea Collie Mullens—Lavender18	.50	-----
Althaea Pink Delight—Pink18	.50	-----
AMPELOPSIS henryana. Silver-vein Ivy (7)	----	.50	-----
Ornamental half-clinging vine with silver-white veins and purplish cast underneath each leaf.			
Ampelopsis quinquefolia. Virginia Creeper (4)18	.50	-----
Excellent deciduous vine for colder climates. Clings to masonry walls.			
Ampelopsis veitchi (Parthenocissus tricuspidata).			
Veitchi Boston Ivy (4)18	.50	-----
Deciduous, close clinging vine, with green foliage, changing to a bright vivid color in the fall.			
AMYGDALUS alba nana. Dwarf Flowering Almond (2)18	----	-----
Deciduous shrub 3 to 4 feet high that produces masses of dainty double pure white flowers.			
Amygdalus rosea nana. Dwarf Pink Flowering Almond (2)18	----	-----
Similar to white almond except produces masses of dainty pink blossoms in spring.			

	2¼" Pot	1-Gal.	5-Gal.
ANISACANTHUS thurberi (8) _____	.18	.50	_____
Low growing compact evergreen shrub with deep green foliage that produces clusters of bright orange tubular flowers freely.			
ANTHERICUM mandaianum (9) _____	.18	.50	_____
Very interesting plants to 3 feet. Grows very rapidly. Has long narrow variegated leaves.			
ANTIGONON leptopus. Coral Vine. Queen's Wreath (8) _____	.18	.50	_____
Rapid climbing vine, produces bright pink flowers freely. Fast grower. Deciduous.			
ARALIA chinensis (9) _____	.20	.60	2.50
Exotic tropical appearing shrub with light green leaves with tints of red on margins and leaf veins. Spines on leaves and stems.			
Aralia elegantissima (Dizygotheca elegantissima) (9) _____		.95	3.50
Exotic evergreen shrub with dull, deep green, heavily serrated leaves.			
3" pot _____	.50		
Aralia foliosus (9) _____			3.50
Fascinating tropical with delicate lacy green foliage covered with sharp spines on the upper and lower surfaces. Very showy.			
Aralia moseri (8) _____		.60	1.85
Quite similar to sieboldi but with larger evergreen leaves. Grows more compact.			
Aralia papyrifera (Tetrapanax papyrifera) (9) _____	.22	.60	2.00
A shrub or small tree with large evergreen tropical leaves. Produces masses of light yellow blossoms in fall. See picture page 25.			
Aralia sieboldi (Fatsia Japonica) (8) _____	.15	.45	1.75
Dwarf growing, shade loving evergreen shrub with dark glossy green leaves.			
1-gal. (3 plants in container) _____	.60		
ARBUTUS unedo. Strawberry Tree (7) _____	.18	.50	1.75
Hardy evergreen shrub growing 8 to 10 feet. Produces white bell shaped flowers in spring followed by red strawberry-like fruit in winter.			
Arbutus unedo compacta. Compact Strawberry Tree (7) _____	.25	.60	2.00
The same beautiful amber tinted foliage as the common arbutus, but it is a more compact small growing shrub that produces the strawberry-like fruit at an earlier age.			
ARDISIA japonica (6) _____	.20	.60	_____
Popular small growing evergreen shrub with bright red berries in fall and winter. Has leathery, deep green leaves.			
ARRHENATHERUM elatius tuberosum. Oat Grass (8) _____	.15	_____	_____
Leaves are slender, blade-like, a deep green, striped with creamy-white margin.			
ASPARAGUS plumosus. Asparagus Fern (9) _____	.20	.50	_____
Small evergreen vine with dainty fern-like foliage. Ideal for shady spots.			
Asparagus sprengeri (9) _____	.20	.50	_____
Semi-evergreen vine, small leaves on long arching branches making a fluffy mound of green foliage.			
ASPIDIUM rigensis (9) _____		.75	_____
Lacy green foliage with nicely arranged fronds. Prefers shade and moisture.			

	2 1/4" Pot	1-Gal.	5-Gal.
Aspidium tussinens (9)75	-----
Showy tight-growing fern with deep green fronds. Very attractive.			
ASPLENIUM bulbiferum (10)75	2.50
Beautiful fern with long exotic fronds. Requires protected location. New ferns are produced in axil of leaves.			
ASTER frikarti. Wonder of Stafa (5)20	.50	-----
Perennial plant which produces violet-blue flowers during summer months, full sun or part shade.			
Aster frikarti jungfrau (5)20	.50	-----
Low growing perennial covered with a mass of blue-lavender flowers in summer.			
AUCUBA japonica variegata. Gold Dust Plant (7)20	.60	2.00
Small compact evergreen shrub with large glossy leaves splashed with gold. Shade loving.			
Aucuba japonica variegata (Female Plants) (7)25	.75	2.25
These plants produce large red berries.			
Aucuba japonica variegata (Male Plants) (7)25	.75	2.25
Since Aucubas are dioecious, these plants are necessary to insure berries.			
AZARA microphylla. Boxleaf Azara (9)20	---	-----
Medium-sized evergreen shrub with small fragrant yellow flowers which appear in the fall and spring.			
BAMBUSA Golden Goddess (7)75	2.50
Small growing picturesque plant with slender yellow canes and feathery golden green foliage.			
Bambusa sasa pygmaea (Sasa pygmaea). Dwarf Bamboo (7) ..		.75	-----
Dwarf growing bamboo that accents any planting with its golden feathery foliage.			
Bambusa variegata (7)75	2.50
Exciting bamboo of medium height with variegated foliage on picturesque canes. Very attractive.			
BAMBURANTA (10)75	2.50
Tropical shrub combining the Maranta leaves and Bamboo habit of growth.			
3" pot40		
BAUHINIA corymbosa (9)22	.60	-----
Woody climber branching from the ground, opposite tendrils. Flowers are rose in color with fluted petals.			
Bauhinia galpini. Red Bauhinia (9)25	.60	-----
A splendid South African evergreen shrub producing clusters of brick-red flowers in the summer.			
5-gal. espalier	4.50		
Bauhinia purpurea. Orchid Tree (10)18	.50	2.00
Desirable small evergreen tree producing a profusion of orchid-like flowers in the spring.			
Bauhinia alba. White Orchid Tree (10)			2.50
Tropical tree with lush butterfly leaves and white orchid-like flowers.

2-gal.	1.45		
Berberis mentorensis. Mentor Barberry (Pat. No. 99) (4)20	.50	1.75
Vigorous upright grower having large thick deep green leaves.			
Berberis sargentiana (5)20	.60	1.85
Evergreen shrub of medium height with densely clothed handsome dark green leaves and round dark fruit.			
2-gal.	1.45		
Berberis thunbergi. Japanese Barberry (3)15	.45	-----
Compact growing deciduous shrub with dense dark green foliage and bright red winter berries.			
Berberis thunbergi atropurpurea.			
Red Leaf Japanese Barberry (3)15	.45	1.75
Same as thunbergi except the foliage is bronzy-red all summer becoming a deep amber-red in the fall.			
Berberis verruculosa (5)60	2.00
Spreading evergreen shrub with cylinder-like branches and many slender spines. Dark green spiny toothed leaves.			
2-gal.	1.50		
BETULA alba. European White Birch (2)15	.50	2.00
Picturesque graceful growing tree having white flaky bark. Deciduous.			
BIGNONIA chamberlayni. Yellow Trumpet Vine (7)18	.50	2.00
A beautiful evergreen vine with clusters of showy yellow-orange trumpet-shaped flowers.			
Bignonia cherere. Scarlet Trumpet Vine (10)22	.50	2.00
An evergreen vine that makes a heavy cover and produces large trumpet-shaped flowers, bright red with a yellow tube.			
Bignonia tweediana. Catclaw Yellow Trumpet (6)15	.50	2.00
Hardy deciduous vine with slender shoots that cling to any surface. Flowers are bright yellow.			
Bignonia venusta. Flame Vine (10)20	.50	2.00
Brilliant trumpet-shaped golden-orange flowers hang in great masses during the winter months on this evergreen vine.			
Bignonia violacea. Lavender Trumpet Vine (9)20	.50	2.00
Delightful evergreen vine for sun or shade. Light lavender gloxinia-like flowers are borne in spring and summer.			
BOCCONIA gracilis (9)20	-----	-----
Perennial shrub, excellent for border plantings; has much lobed, deeply veined leaves.			
BOMBAX malabaricum. Silk Cotton Tree (10)20	-----	-----
Large deciduous tree, the trunk and branches are spiny. Produces beautiful red or scarlet flowers.			

	2 1/4" Pot	1-Gal.	5-Gal.
BOUGAINVILLEA Barbara Karst (10)20	.60	2.00
Large brilliant red flower-bracts are borne almost continually. Plants bloom at an early age.			
Bougainvillea Betty Hendry (10)25	.75	2.50
Tints of red, yellow and purple combined, make this bougainvillea a show of beautiful color all through the summer months.			
Bougainvillea brasiliensis (B. spectabilis) (10)20	.60	2.00
An indescribable sight with its lavish clusters of purple flower bracts.			
Bougainvillea California Gold (10)35	.75	2.50
As its name suggests, rich golden bracts are borne profusely for many months in the year.			
Bougainvillea Convent (10)25	.75	2.50
Enormous purple bracts are produced during many months of the year.			
Bougainvillea Orange King (10)20	.60	2.00
Bronzy-gold flower-bracts are produced on graceful sprays of this very vigorous Bougainvillea.			

<p>Bougainvillea Rose Queen (Trade Mark Registered) (10) .20 .60 2.00</p> <p>Truly this bougainvillea is a royal member of its family. Its beauty must be seen to be believed, so spectacular are its rose-carmine blooms. The lovely delicate flowers blanket the entire vine most of the year. A vigorous, rapid grower that requires very little care, Bougainvillea Rose Queen brings you high profits and peak customer satisfaction. Must be sold with T. M. R. Tags attached.</p> <p>5-gal. tree-type 3.50</p>
--

Bougainvillea Scarlett O'Hara (B. San Diego) (10)20	.60	2.00
This fast growing Bougainvillea creates a blaze of color with its bright red flower-bracts on pendulous sprays.			
5-gal. tree-type	3.50		

Bougainvillea Temple Fire. Red Bush Bougainvillea (10)20	.60	2.00
For the first time, traditional bougainvillea beauty in compact, uniform bush form. Makes a striking hedge. Covered constantly with deep red flower bracts in warm weather. Excellent as tub specimens.			

<p>Bougainvillea Texas Dawn (Trade Mark Reg.) (10)20 .60 2.00</p> <p>The exotic, almost indescribable color of this sensational bougainvillea wins quick approval and sales from garden lovers. Only the delicate pink of the Texas dawn sky can begin to describe the myriad, gracefully formed Tyrian Rose bracts which the vine suspends from long, arching sprays. Texas Dawn grows rapidly and maintains its symmetry and vigor with the very minimum of care. Must be sold with T.M.R. Tags attached. See picture page 28.</p>

BOUVARDIA albatross (10)20	.60
Low growing evergreen shrub. The snowy-white flowers are sweetly fragrant.			

Bouvardia Fire Chief (10)20	.60
This low growing evergreen shrub has clusters of bright red tubular flowers which bloom most of the year.			

BRUNFELSIA calycina floribunda.			
Yesterday, Today and Tomorrow (8)20	.50	1.75
Colorful spring blooming evergreen shrub with flowers opening to a deep violet and fading to light violet or white.			

Brunfelsia calycina lindeniana (8)			2.50
Has rich deep green leaves and attractive purple flowers with a lavender-blue ring in the center of a white eye. Grafted plants.

Callistemon viminalis. Weeping Bottle Bush (8) **.15** **.45** **1.85**

Tall slender shrub or small tree with slender, semi-weeping branches. Cascades of bright scarlet bottlebrush blooms.

CALODENDRUM capense. Cape Chestnut Tree (9) **.25** **.60** **2.00**

Medium-sized stately evergreen tree, producing rose-lavender flowers in early summer.

CAMPHORA officinalis (Cinnamomum camphora) (8) **.18** **.50** **2.00**

Evergreen tree with light green foliage becomes colorful with the bronzy-red new growth. Dark gray to black trunk.

CAMPSIS Mme. Galen (5) --- --- **2.50**

Fast growing deciduous vine. Bears large clusters of trumpet-shaped brilliant scarlet-orange flowers in spring. Grafted.

Campsis Golden Trumpet (5) --- **.60** **2.50**

Large trumpet-shaped flowers of brilliant golden-yellow are produced in great clusters in the spring and summer.

CARISSA grandiflora. Natal Plum (10) **.18** **.50** **1.75**

Lush evergreen ornamental shrub of neat growing habit almost continuously sprinkled with its waxy, white flowers.

Carissa grandiflora tuttlei (10) **.18** **.50** **1.75**

Superior compact shrub with a very dense spreading growth of rich green.

Carissa grandiflora horizontalis. Natal Creeper (9)

Exceptional compactness ideally suits this prostrate shrub for ground and bank covers. Fragrant white flowers and bright glossy foliage add appeal. Evergreen.

2 1/4 pot **.18** **1-gal.** **.50** **5-gal.** **1.75**

CASSIA artemisioides. Feathery Cassia (9) **.18** **.50** **1.75**

Small shrub with feathery, silvery-gray foliage and bright yellow fragrant flowers. Good for dry sunny places.

Cassia splendida. Golden Wonder (9) **.25** **.60** **1.95**

Bush or small evergreen tree which produces quantities of large golden-yellow flowers in long racemes.

CASTANOSPERMUM australe. Morton Bay Chestnut (8) **.35** **.85** **2.50**

Tall evergreen tree with light green leaves. Flowers range in color from yellow to red. Produces edible nuts.

	2 1/4" Pot	1-Gal.	5-Gal.
CATHA edulis (9) An evergreen shrub of moderate height with showy leaves having dull undertones of red and purple. Used for centuries as a beverage for its recuperative effects.	.20	.50	-----
CEANOTHUS gloriosus (9) A low growing evergreen shrub with thick leathery leaves producing bright blue flowers in the spring.	.25	---	-----
Ceanothus griseus horizontalis. Carmel Creeper (4) A low growing evergreen shrub with huge thick leathery leaves producing bright blue flowers in the spring.	.25	---	-----
Ceanothus Marie Simon (8) Hardy vigorous shrub producing flesh-colored flowers. Deciduous.	.20	.60	-----
Ceanothus Mountain Haze. California Lilac (9) New hybrid exceedingly versatile and capable of standing dry weather and poor soil conditions. Produces masses of brilliant blue flowers.	.20	.60	1.95
Ceanothus purpureus. Holly Leaf Ceanothus (9) Medium upright shrub which produces deep dark blue flowers. Deep leathery green leaves. Evergreen.	.25	---	-----
Ceanothus Sierra Blue. California Lilac (9) Produces masses of brilliant blue flowers and real deep green foliage.	.20	.60	1.95
CENTAUREA cineraria. Dusty Miller (7) Low growing, silvery-gray foliage. Bright yellow flowers. Excellent for borders and low hedges.	---	.45	-----
CERATONIA siliqua. Carob. St. John's Bread Tree (8) An excellent evergreen tree of medium size. The round head of deep green foliage makes dense shade.	.20	.50	2.00
CERATOSTIGMA larpentiae (C. plumbaginoides) (7) Low growing shrub with creeping habit of growth. Not over 6 or 8 inches high. For semi-shade or sun. Covers itself with rich blue flowers.	.18	.45	-----
Ceratostigma willmottianum. Dwarf Chinese Plumbago (7) Low growing shrub with clusters of intensely blue flowers produced most of the year.	.18	.45	-----
CESTRUM parqui. Night Scented Jasmine (10) Dense growing shrub with light green foliage. Insignificant, light yellow flowers. Strikingly fragrant at night.	.15	.45	-----
CHAMADOREA elegans. Neanthebella Palm (9) A beautiful dwarf palm so useful for indoor plantings or for creating tropical effects. 3" pot30	.18	1.00	-----
CHAMAELAUCIUM ciliatum. Geraldton Wax Flower (10) Medium to large evergreen shrub with heather-like foliage and showy sprays of waxy, rose colored flowers.	.20	.60	1.85
CHEILANTHES gracillima. Lace Fern (9) A vigorous low growing fern which endures more extremes than most ferns. Excellent for accent.	---	---	-----
CHIONANTHUS retusus. Fringe Tree (5) Shrub or small tree to 20 feet with dark foliage and showy white flowers in early summer. Prefers sun.	.20	---	-----
Chionanthus virginicus (4) Deciduous trees to 30'. Produces many small white flowers in 8" panicles in May and June.	.20	---	-----

CALLISTEMON LANCEOLATUS AND OSMANTHUS ILLICIFOLIUS VARIEG.

See Descriptions pages 30 and 60

	2¼" Pot	1-Gal.	5-Gal.
CHOISYA ternata. Mexican Mock Orange (7)20	---	---
A very fine, hardy evergreen shrub with glossy green leaves and fragrant white flowers in showy clusters.			
CHORIZEMA varium. Flame Pea Shrub (9)18	.45	---
Low growing, evergreen shrub with dark green smooth edged leaves and showy sprays of pea-shaped flowers in winter and spring.			
CIBOTIUM chamissoi. Hawaiian Tree Fern (10)	---	2.00	4.50
Exotic tree fern that blends perfectly with modern tropical plantings. Requires shade and abundance of moisture.			
CISSUS capensis (Vitis capensis) (10)20	.50	2.00
Evergreen vine with deep green foliage, fast grower, covering large area.			
Cissus hypoglauca (Vitis hypoglauca) (10)18	.50	2.00
Fast growing, evergreen vine. Glossy leaves of five leaflets four inches long. Sharp-toothed.			
Cissus rhombifolia (Vitis rhombifolia) (10)18	.50	2.00
Glossy, rich green leaves of three leaflets set close along the twining stems. Grows well either in shade or sun.			
Cissus voinieriana (Vitis voinieriana) (10)	---	---	2.50
One of the most exotic of evergreen vines. The large five-fingered leaves are thick and glossy.			
Cissus vomeriensis (Vitis vomeriensis) (10)	---	.75	2.00
Very similar to Cissus voinieriana except the underside of the leaves and stem are densely covered with copper colored hairs.			
3" pot35		
CISTUS corbariensis (C. Hybridis). White Rock Rose (8)18	.45	1.75
Small, free-flowering evergreen shrub with soft ivory-white petals.			
Cistus Doris Hibberson. Pink Rock Rose (7)20	.60	1.85
Attractive, compact, evergreen shrub with delicate, clear pink flowers. Adapted for sunny dry locations.			
Cistus ladaniferus maculatus. Brown Eyed Rock Rose (8)18	.45	1.75
Low, spreading, evergreen shrub with deep green narrow foliage and covered with large white flowers. For dry soil and sun.			
Cistus laurifolius. Laurel Rock Rose (7)18	.50	---
Strong growing evergreen shrub. Beautiful waxy flowers with a yellow base appear in late spring.			
Cistus purpureus. Orchid Rock Rose (8)20	.50	1.75
Compact evergreen shrub with neat habits of growth. Flowers are rose-purple with yellow base and maroon spots.			
Due to a state regulation we are not allowed to ship Citrus out of our local area—(Los Angeles and vicinity).			
Citrus Calamondin. Philippine Lime (9)20	.60	2.00
Dwarf shrub with light green, small leaves. Fragrant white flowers followed by round orange fruit. Excellent as tub specimens.			
Citrus chinotto Orange (9)25	.75	---
Dwarf shrub with light green leaves producing fragrant white flowers followed by tasty oranges.			
Citrus Eureka Lemon (9)	---	.60	---
One of the finest lemons grown. Tree begins to bear when young. Heaviest crop in summer. Excellent for patio use in tubs.			

	2 1/4" Pot	1-Gal.	5-Gal
Citrus Meyer Lemon. Dwarf Lemon (9)20	.50	1.85
A medium-sized shrub with excellent foliage and fragrant flowers. Produces lemons almost the year 'round.			
5-gal. espalier	4.50		
Citrus Pomeroy. Dwarf Citrus (9)15	.45	-----
Seedlings that are used for root stock for dwarfing other varieties of citrus.			
Citrus Rangpur Lime (9)20	.50	1.85
A splendid combination fruiting ornamental. Beautiful orange-red fruits. Dwarf.			
Citrus Sellers Navel (9)60	-----
Combined with shiny green foliage. Has fine flavor and juiciness. An excellent orange for home plantings.			
Citrus Valencia Orange (9)60	-----
Attractive citrus with summer ripening fruits. Excellent fruiting ornamental.			
CLEMATIS armandi (9)		1.25	2.50
Handsome evergreen vine with large glossy green leaves, covered with showy waxy white, star like flowers. Slightly fragrant.			
Clematis Montana rubens (Seedlings) (6)18	-----	-----
This hardy strong growing deciduous vine with purplish toothed leaves bears clusters of rose-pink flowers through summer.			
CLERODENDRON trichotomum (6)20	.60	-----
Graceful grower that produces large, fragrant, lavender flower stalks.			
Clerodendron balfouri. Bleeding Heart. Glorybower (6)20	.60	-----
A twinning evergreen shrub which produces crimson flowers most of the summer.			
Clerodendron bungei (C. foetidum). Cashmere Bouquet (9)20	.50	1.75
Dwarf spreading evergreen shrub. Deep green toothed leaves and fragrant clusters of rose-red ball-shaped flowers.			
CLETHRA arborea. Lily of the Valley Tree (10)20	.50	1.75
Large evergreen shrub or small tree for partial shade. Large leathery deep green leaves. Flowers in long panicles.			
1-gal. staked60	5-gal. tree-type	2.00
CNEORUM tricoccon. Spurge-Olive (8)20	.50	-----
A small shrub producing deep yellow flowers and red berries. Evergreen.			
COCCULUS laurifolius (8)20	.60	1.85
The glistening, green leaves which are heavily veined and its graceful arching manner of growing makes this hardy evergreen shrub highly desirable.			
COLOCASIA esculenta	See CALADIUM		
CONVOLVULUS cneorum. Silver Bush Morning Glory (7)20	.50	-----
Dwarf compact evergreen shrub with soft silvery foliage. Masses of white flowers are produced thru-late spring and summer.			
Convolvulus mauritanicus (9)15	.45	-----
Trailing perennial with gray-green foliage covered with inch wide lavender-blue flowers all summer.			
COPROSMA baueri. Mirror Plant (10)15	.45	1.75
A medium-size shrub planted mostly for the extremely glossy deep green foliage.			

	2 1/4" Pot	1-Gal.	5-Gal.
CORDYLINE banksi purpurea (9) -----	----	----	3.50
Deep bronze in color with long narrow sword-like leaves. Fast grower.			
COROKIA cotoneaster (7) -----	.20	.60	-----
Exciting plant with angular stems. Small pert gray leaves give it an oriental charm. Yellow star-like flowers in spring.			
CORREA magnifica (9) -----	.20	.60	-----
Similar to pulchella except growth is more erect and larger; also, foliage has an attractive bronzy tint, flowers are chartreuse color.			
Correa pulchella (C. speciosa) (9) -----	.20	.60	-----
Compact growing shrub with a spreading habit of growth. Small gray-green leaves and wide, flaring pink flowers.			
CORTADERIA selloana (C. argentea). Pampas Grass (9) -----	.20	.60	2.00
A grass with heavily serrated leave blades. Produces handsome white plumes in fall especially suitable for warm dry climates.			
COTONEASTER adpressa praecox (5) -----	.20	.50	1.75
Vigorous grower with a semi-prostrate form of growth. Large leaves. Deciduous.			
Cotoneaster apiculata. Cranberry Cotoneaster (4) -----	.20	.50	1.85
Horizontal deciduous spreading shrub with pink flowers in spring followed by red berries retained well into winter.			
2-gal. -----	1.45		
Cotoneaster decora. Necklace Cotoneaster (5) -----	.20	.50	-----
Low spreading evergreen shrub with bright red berries appearing in the fall.			
Cotoneaster divaricata (5) -----	.18	.45	1.75
A hardy upright cotoneaster with glorious autumn coloring. Red berries are retained well into winter. Deciduous.			
Cotoneaster glaucophylla. Gray-leaved Cotoneaster (6) -----	.20	.60	1.85
A semi-evergreen medium to large shrub with small gray-green leaves on graceful arching branches. Produces red winter berries.			
2-gal. -----	1.45		
Cotoneaster hozizontalis (C. davidiana). Rock Cotoneaster (5) -----	.15	.45	1.75
Low spreading semi-evergreen shrub with small, round leaves, pinkish flowers in spring followed by bright red berries in fall.			
Cotoneaster multiflora. Manyflowered Cotoneaster (5) -----	.20	.50	1.75
Strong, upright growing deciduous shrub of medium height. Very large red berries.			
Cotoneaster pannosa. Silver Leaf Cotoneaster (6) -----	.18	.45	1.75
Semi-evergreen shrub with attractive silvery gray leaves. White flowers followed by bright red berries in fall and winter.			
Cotoneaster parneyi. Red Clusterberry (7) -----	.15	.45	1.75
Large growing evergreen shrub with luxuriant deep green foliage the year 'round. Brilliant red berries.			
2-gal. -----	1.45	5-gal. column -----	3.75
Cotoneaster wardi (5) -----	.25	.60	1.75
Distinctive orange berries among the orange-scarlet autumn foliage. Long arching branches to 10 feet.			
Cotoneaster zabeli. Cherry Bush Cotoneaster (5) -----	.18	.45	1.75
A popular shrub upright in growth. Pink flowers in spring and red berries in the fall. Deciduous.			

	2 1/4" Pot	1-Gal.	5-Gal.
CROTALARIA agatiflora. Canary Bird Bush (10)20	.60	1.85
Large sun loving evergreen shrub with light green foliage. Produces chartreuse flowers which resemble canary birds.			
CUPANIA anacardiodes (10)75	2.50
Evergreen tree to 40 feet with large leathery three lobed leaves. Produces white flowers.			
CYDONIA japonica (Chaenomeles). Flowering Quince (4)			
Small bushy deciduous shrubs with glossy dark green foliage. Masses of "one inch" apple blossom-like flowers completely clothe the branches in winter and early spring.			
Cydonia Charming. Rose pink20	.50	
Cydonia japonica Minerva. Velvety red20	.50	
Cydonia japonica rosea. Rich rose20	.50	
Cydonia japonica Scarlet. Deep scarlet20	.50	
Cydonia shell pink.20	.50	
Cydonia japonica Texas Scarlet. Firey scarlet20	.50	
CYPERUS diffusus (9)60	
A dwarf paper reed shrub, with showy umbrella-like heads. Very attractive.			
Cyperus papyrus. Egyptian Paper-Reed (9)18	.50	
Three-cornered dark green stems with a tasseled head of feathery foliage. Prefers abundance of moisture. Stately plant for ponds, growing in shallow water.			
Cyrtomium falcatum. Holly Fern (8)75	2.50
Stiff erect, dark green fronds provide accent to any landscape. Very coarse leaf.			
DAIS cotinifolia (9)20	.60	2.25
Small evergreen tree that produces beautiful fragrant pink flowers in the summer.			
DAPHNE odora marginata. Pink Daphne (8)			
Attractive slow growing compact shrub that has glossy leaves edged with ivory. The waxy pink flowers are sweetly fragrant.			
3" pot35		
DEUTZIA gracilis (4)18	.45	
Graceful medium growing shrub 2 to 3 feet in height. Flowers are pure white. Deciduous.			
DICKSONIA antarctica. New Zealand Tree Fern (10)25	1.00	3.50
A large spreading tree fern with a sturdy dark brown trunk and a crown of dark green fronds. Ultimate height 30 feet.			
3" pot45		
Dicksonia fibrosa. Golden Tree Fern (10)35		
Outstanding tree fern to 20 feet with lacy shiny green fronds to 8 feet. Brown hairs on stem produces aerial roots.			
3" pot50		
DIOSMA pulchrum. Pink Breath of Heaven (9)18	.50	1.75
Compact growing evergreen shrub with heather-like light green foliage. Tiny star-shaped flowers are produced in late winter and early spring.			
Diosma reevesi. White Breath of Heaven (10)18	.50	1.75
Similar to Pink Breath of Heaven with dark green foliage and star-shaped white flowers in the spring.			

	2 1/4" Pot	1-Gal.	5-Gal.
DISTICTIS Rivers. Royal Trumpet Vine. (Pat. No. 554) (10)85	2.50
A most attractive trumpet vine having flowers with rich purple petals on a brilliant yellow tube.			
3" pot45		
DOMBEYA wallichii. Pink Ball Dombeya (9)25	.60	1.85
A large shrub with interesting foliage. Produces large lavender-pink ball-like flowers.			
DORYANTHES palmeri. Spear Lily (9)		1.00	
Large desert succulent with sword-like leaves producing bright scarlet flowers.			
DRACAENA draco. Dragon Tree (9)20	.60	2.50
The large tropical looking leaves are wide and rigid. This variety grows best in a dry location.			
Dracaena indivisa. Dracaena Palm (9)18	.50	1.85
Small tree with leaves like the Yucca.			
Dracaena indivisa Blue (9)25	.75	
Similar to Dracaena indivisa except the foliage has blades with a blue shading.			
Dracaena indivisa lineata (9)25	.75	
The veins are accented with a lighter green—almost a variegation.			
Dracaena Mme. Andres (9)			3.50
Long narrow, sword shaped leaves, deep bronze to purple in color. Very useful for specimens, or mass plantings.			
DURANTA stenostachya. Brazil Skyflower (10)18	.45	1.75
Medium to large shrub having arching branches with attractive light green glossy foliage and racemes of light blue flowers.			
ENTELEA arborescens (10)18		
Showy large leaved evergreen shrub or small tree to 20 feet. With leathery like shiny green foliage.			
ELEAGNUS pungens fruitlandi. Fruitland Silverberry (6)20	.50	1.75
Large spreading shrub having leaves and stems covered with shiny scales.			
2-gal.	1.45		
Eleagnus pungens. Silverberry (6)20	.50	1.75
A large spreading shrub covered with frosty-white shiny scales. Produces large silver-bronze berries.			
ELYMOS arenarius. Sealyne Grass (8)50	
Vigorous strong grass having a powdery-blue color. Excellent for use in areas where it is necessary to hold soil or sand in place.			
EQUISETUM hyemale. Horsetail Reed Grass (4)50	
Rush-like tropical appearing grass. Deep green with jointed stems.			
ERICA John McLaren. Pink Bell Heather (9)18	.50	
Small compact growing shrub blooming twice a year with flowers that are a lovely shade of pink.			
Erica melanthera rosea. Pink Scotch Heather (9)18	.50	1.75
Medium to tall evergreen shrub with fine billowy masses of tiny leaves and equally numerous rosy-pink flowers with black "eyes".			
Erica melanthera rubra. Red Scotch Heather (9)18	.50	
Deep rose-red flowers that bloom from October to February.			
Erica vagans Maxwell (8)18	.50	
Medium-sized shrub having mild green feathery foliage and cone-like spikes of bright tubular rose-red flowers that appear in early spring.			

HARDINESS MAP

From this map determine what zone you are in. The number listed beside each variety in this catalog indicates the zone in which that variety will be hardy. If the variety carries your zone number or a smaller number it should be hardy in your area. If you want to take a chance on those rated one zone greater, there is a good possibility of success.

MINIMUM QUANTITIES

Please do not order less than the following quantities of any one variety.

- 25 in 2 1/4" lining-out stock
- 125 in 3" lining-out stock
- 10 in 1-gallon containers
- 5 in 5-gallon containers

Please keep in mind that an order to be shipped by express, parcel post, or motor freight must total \$20.00 or more. This minimum also applies to local deliveries.

QUANTITY DISCOUNTS

- 1000 Plants 10%
- 500 Plants 5%

These discounts apply if the following requirements are met:

1. All plants must be of one variety.
2. All plants must be of one container size.
3. All plants must be shipped at one time.

	2 1/4" Pot	1-Gal.	5-Gal.
ERIOBOTYRA japonica. Loquat (9)15	.50	1.85
Small to medium size tree with large dark green leaves and pear-shaped yellow edible fruits. (Seedlings.)			
5-gal. espalier	5.00		
Eriobotrya japonica Gold Nugget (9)			2.50
Skillful grafting produces this choice plant. Noted for large, golden, delicious fruit and luxuriant foliage.			
ERYTHEA edulis. Guadalupe Palm (9)20	.60	
The attractive fans are clear bright green the entire year. Stems shed readily to leave a clean trunk. The round fruits are edible and have the flavor of apricots.			
ERYTHRINA bidwilli. Coral Tree (10)20	.75	2.50
A hybridized Erythrina resulting in exotic red bird-like flowers that bloom in the summer.			
Erythrina crista-galli. Cockspun Coral Tree (10)20	.60	
Long spikes of pear-shaped brilliant red flowers appear all summer and fall on this semi-deciduous large shrub or small tree.			
ESCALLONIA ingrami (8)18	.50	
Especially deep green glossy foliage. During the summer it produces an abundance of rose-red flowers.			
Escallonia organensis (8)18	.50	1.75
Medium size very bushy growing shrub with narrow bronzy-green leaves and clusters of appleblossom-like flowers white and pink.			
Escallonia rubra. Red Escallonia (8)18	.50	1.75
Medium to large evergreen shrub with deep green glossy foliage and clusters of bright red tubular flowers with spreading petals. Shade.			
EUCALYPTUS blakelyi (8)75	
Attractive gray-green foliage. Vigorous grower and does well in water-logged places.			
Eucalyptus caesia (8)20	.60	
Small slender tree to 15 feet. Weeping branches almost continually splashed with rosy pink flowers. Silver-gray foliage.			
Eucalyptus cinerea (8)20	.50	2.00
Evergreen tree of medium size. An improved type of Eucalyptus pulverulenta.			
Eucalyptus citriodora. Lemon Scented Gum (9)18	.50	2.00
Tall, strong growing evergreen tree with picturesque smooth trunk and long pointed lemon scented leaves and white flowers.			
Eucalyptus ficifolia. Scarlet Flowering Gum (10)18	.50	2.00
Small to medium-sized evergreen tree much used for street planting and as a specimen for the showy masses of bright red flowers.			
Eucalyptus globulus compacta. Bushy Blue Gum (9)15	.45	1.75
Dwarf compact growing evergreen tree producing dense blue-green masses of foliage.			
Eucalyptus polyanthemos. Redbox Gum (8)18	.50	2.00
A tall growing open headed evergreen tree having handsome grayish-blue leaves.			
Eucalyptus pulverulenta. Silver Dollar Gum (8)18	.50	2.00
Small tree with bluish foliage. Excellent for cutting and floral makeup.			

	2 1/4" Pot	1-Gal.	5-Gal.
Eucalyptus rostrata. Red Gum (8)15	.50	2.00
A rapid growing evergreen tree with long narrow leaves.			
Eucalyptus rudis. Desert Gum (8)15	.50	2.00
Tall growing tree suitable for desert areas.			
Eucalyptus sideroxylon rosea. Pink Ironbark (9)15	.50	2.00
Medium size tree with brownish-red rough bark and long pointed dark green leaves. The pink flowers are borne in large clusters.			
Eucalyptus viminalis. White Gum (8)15	.50	2.00
A fast growing evergreen tree that sheds its bark leaving a smooth white trunk.			
EUGENIA cauliflora. Jaboticaba (10)			2.00
Attractively symmetrical tree to 40 feet, producing small white flowers; very showy. Edible fruit.			

Eugenia compacta (10)

This unusually compact Eugenia is exceptionally suited for formal shaping. Makes superior hedges. New foliage is a striking amber color.

2 1/4" pot18 1-gal.50 5-gal. 2.00

Eugenia myrtifolia (E. paniculata australis). Brush Cherry (10)15	.45	2.00
Close growing evergreen shrub or small tree with dark bronzy-green leaves and fluffy white flowers followed by red berries.			

EUONYMUS

Hardy, evergreen medium size shrubs with rounded glossy leaves widely used for hedges or specimen planting. Excellent for shearing.

Euonymus alatus. Winged Euonymus (3)18	.45
Upright growing deciduous shrub having unusually colorful foliage in autumn.			

Euonymus europaeus. Spindle Tree (3)18	.45
Erect fast growing deciduous shrub or small tree producing colorful pink flowers.			

Euonymus fortunei carrierei (5)18	.45
Semi-prostrate growing shrub having heavily veined leaves of deep glistening green.			

Euonymus fortunei coloratus (5)18	.45
Semi-prostrate growth. Foliage is deep green turning plum color in the fall.			

Euonymus fortunei erecta (5)18	.45	1.75
Excellent evergreen upright growing shrub having large glossy foliage.			

Euonymus fortunei Radicans Upright (5)18	.45
Semi-upright in growth. Leaves become a deep red in the fall.			
2-gal.	1.45		

Euonymus fortunei vegetus. Wintercreeper Euonymus (5)18	.45
Semi-horizontals in growth. Neat appearing glossy foliage.			

Euonymus japonicus. Green Euonymus (5)15	.45	1.75
Compact growing evergreen shrub with solid green leaves.			
2-gal.	1.45		

Euonymus radicans argentic variegata (5)18	.50
Low growing shrub with variegated leaves.			

	2¼" Pot	1-Gal.	5-Gal.
Euonymus japonica alba marginata (5) Attractive leaves with narrow margin of white which gives a silver-like cast.	.18	.50	-----
Euonymus japonicus aureo-marginatus. Golden Euonymus (5) Leaves dark green with bright gold margin. 2-gal. 1.45	.18	.50	1.85
Euonymus japonicus aureo-variegatus. Gold Spot Euonymus (5) Compact shrub having bright gold leaves with a dark green margin. 2-gal. 1.45	.18	.50	1.85
Euonymus japonicus gigantea (5) Very vigorous upright grower with dark green leaves.	.18	.50	1.85
Euonymus japonicus grandifolia (5) Very large solid green leaves. 2-gal. 1.45	.15	.45	1.75
Euonymus japonicus microphyllus (E. pulchellus) (5) Very dwarf shrub with solid green leaves. 2-gal. 1.45	.18	.50	1.85
Euonymus japonicus Silver Queen (5) Large light green foliage with a silver margin. Evergreen. 2-gal. 1.45	.18	.50	1.85
Euonymus patens Newport (E. kiautschovica) (5) Compact and shapely. Foliage remains on the plant practically all year. 2-gal. 1.45	.18	.45	-----
Euonymus patens sieboldianus (5) Very attractive compact growing shrub with large leaves. Produces colorful pink berries.	.18	.45	1.75
EUPATORIUM ianthinum (E. sordidum) (9) Attractive shrub with purple cast on stems. Leaves are light green and bears fragrant purple flowers.	.18	.50	-----
EURYA emarginata (7) Vigorous growing shrub with thick rounded leathery leaves.	.20	.60	-----
Eurya ochracea (Cleyera japonica) (7) Handsome Camellia-like evergreen foliage that acquires a beautiful reddish tint during the winter season. It produces small fragrant flowers in summer followed by red berries.	.25	.75	-----
EURYOPS athanasiae (9) Narrow stem-like leaves with clear yellow, daisy-like flowers. Blooms mid-winter.	-----	.60	-----
EXOCHORDA racemosa. Pearl Bush (6) A deciduous shrub with bright green foliage. The flower buds resemble pearls that open to large single white flowers.	.18	-----	-----
FATSIEDERA lizei. Botanical Wonder (8) A bigeneric hybrid between Fatsia (Aralia) and Hedera. Semi-climbing vine with large glossy green leaves. 5-gal. 1-stake 2.00 5-gal. Espalier 4.50 5-gal. 2-stake 2.75	.15	.45	1.75

	2 1/4" Pot	1-Gal.	5-Gal.
Fatshedera lizei variegata (8)18	.50	1.75
Variegated form of Fatshedera lizei, with white margins on the leaves. Very attractive.			
5-gal. 1-stake	2.00	5-gal. Espalier	4.50
5-gal. 2-stake	2.75		
FEIJOA Pineapple Gem (8)			2.50
Large juicy pineapple-flavored fruit is the main advantage of this grafted Pineapple Guava. Showy silvery-green foliage and exotic red flowers in spring deserve a place in any landscape. Fruit perfect for jelly.			
Feijoa sellowiana. Pineapple Guava (8)15	.45	1.75
Fast growing, tall, evergreen shrub with gray-green foliage and waxy-white flower. Fruit pale green, edible.			
2-gal.	1.45		
FESTUCA glauca (8)50	
Attractive ornamental blue grass which grows 6 to 10". Excellent for borders or edging. Likes well drained soil.			
3" pot30		
FICUS macrophylla. Mortonbay-fig (9)20		
Tall wide-spreading evergreen tree with shiny deep green foliage. Will take full exposure to salt winds.			
Ficus mysorensis (10)20	.75	2.50
Sub-tropical tree with large interesting leaves. Has round, red fruit which is borne in pairs. Evergreen.			
Ficus microphylla (9)20	.75	2.50
Similar to macrophylla except leaves are smaller. Attractive, neat appearing evergreen shrub.			
Ficus nitida. Indian Laurel (9)20	.50	
Very refined evergreen plant having thick, rubbery leaves. Ideal for use as a hedge planting.			
5-gal. pyramids 3'	2.50	5-gal. tree-type	3.50
5-gal. pyramids 5'	3.50		
Ficus petiolaris (9)			2.50
Large shrub or small evergreen tree with unusual leaves because of the large pointed tips. The veins are a showy red.			
Ficus religiosa. Bo Tree (9)20	.75	2.50
Excellent small tree of slow growth with poplar-like leaves which have long tail-like appendages.			
Ficus repens (F. pumilla). Climbing Fig (9)15	.50	
Close growing, clinging evergreen vine. Leaves rounded about one inch long. For sun or partial shade.			
Ficus waipahu (9)25	.75	
Showy vine with light green pear-shaped foliage. Slow growing. Shade or filtered sun.			
FORSYTHIA Lynwood Gold (4)18	.50	
Large yellow flowers that are produced before leaves appear in spring. Deciduous.			
Forsythia Spring Glory (4)18	.50	1.75
Small deciduous shrub covered with brilliant yellow flowers in early spring. Deep green leaves.			
FRAXINUS uhdei. Shamel Ash. Evergreen Ash (9)18	.50	2.00
Medium size, slender evergreen tree, excellent for street planting or as a shade tree. Leaves long and glossy green.			

	2¼" Pot	1-Gal.	5-Gal.
GARDENIA Mystery (8) -----	.18	.50	1.85
Bushy compact growing plant with glossy green leaves. Produces large creamy-white fragrant flowers during spring and summer.			
Gardenia radicans (9) -----	.20	.60	1.95
Very desirable miniature gardenia having glossy foliage and small white fragrant flowers.			
Gardenia stricta nana (9) -----	.20	.60	1.95
A hardy vigorous gardenia with attractive green foliage. Very free flowering.			
Gardenia veitchi. Everblooming Gardenia (9) -----	.18	.50	1.85
Smaller than Mystery in bush, leaf and flower size but blooms longer.			
GELSEMIUM sempervirens. Carolina Jasmine (7) -----	.18	.50	2.00
Evergreen twining vine. Flowers are trumpet-shaped yellow and fragrant, making quite a show in late winter.			
GENISTA racemosa (Cytisus racemosus). Sweet Broom (8) -----	.20	.50	1.75
Compact evergreen shrub producing golden-yellow flowers in late spring.			
GORDONIA alatamaha (Franklinia alatamaha) (5) -----		.75	2.50
Small growing deciduous tree. Leaves turn scarlet in the fall along with its large white single flowers.			
GREVILLIA banksi (9) -----	.20	.60	-----
Shrub or tree to 20 feet with dull dark green deeply divided leaves. Produces erect heads of dark crimson flowers. January through May.			
Grevillea robusta. Silk Oak (9) -----	.18	.50	2.00
Tall growing evergreen tree making a narrow columnar head of fern-like dark green leaves and candelabras of bright orange-yellow flowers in spring.			
GREVILLIA rosmarinifolia (8) -----	.20	.60	-----
Attractive shrub to 6 feet, with graceful feathery like foliage. Very showy.			
GREWIA caffra Improved. Lavender Star Plant (10) -----	.20	.60	1.85
Fast growing plant with light green foliage and lavender star-shaped flowers which are borne most of the year.			
5-gal. Espalier -----	4.50		
GRISELINIA lucida (8) -----	.20	.50	-----
Rounded evergreen shrub with neat appearing olive-green leaves.			
GUAVA Red Strawberry (Psidium cattleianum) (10) -----	.15	.45	1.75
Medium size evergreen shrub bearing clusters of small, round, dark red fruits. Used in making jellies.			
Guava Yellow Strawberry Improved (10) -----	.15	.45	1.75
This large glossy-leaved evergreen shrub bears edible strawberry-flavored fruit.			
GUNNERA chilensis (9) -----	.22	.60	2.00
Fast growing tropical shrub with large deeply lobed bold foliage covered with stiff hairs. Prefers shade.			
Gunnera manicata (9) -----	.22	.60	2.00
Tropical shrub used for bold foliage effects. Can be planted in sun or shade and must have lots of moisture.			
HALESIA tetraptera. Snowdrop Tree (5) -----	.25	.60	-----
A small deciduous tree popular for the thousands of small white bell-shaped flowers which dangle about below the branches in the spring.			

	2¼" Pot	1-Gal.	5-Gal.
HARDENBERGIA comptoniana. Vine-Lilac (10)20	.50	2.00
A fast growing vine having slender lacy leaves with deep clear blue flowers in February and March.			
HARPEPHYLLUM caffrum. Kafir Plum (9)25	.60	2.25
Attractive small growing tree. The edible fruit is dark red and about the size of an olive.			
HARPULLIA arborea (10)25	.60	-----
Beautiful tree with deep green leaves, grows to 30 feet and produces panicles of bright orange seed pods.			
HEDERA canariensis (H. maderensis). Algerian Ivy (9)15	.50	2.00
Dark green unusually large leathery leaves makes this evergreen vine most desirable.			
Hedera canariensis variegata (Variegated Algerian Ivy) (9)15	.50	2.00
Like the Hedera canariensis but its leaves are a creamy-white and green beautifully variegated.			
Hedera cordata (8)20	.50	-----
Deep green heart-shaped leaves make this a very attractive small growing vine.			
Hedera glaceri (7)20	.50	-----
Similar to Hedera hahni except the foliage is variegated.			
Hedera hahni (Hahn's Ivy) (6)20	.50	-----
This compact growing ivy finds much use in planter boxes because of its somewhat restricted growth habit. Deep green foliage.			
Hedera helix. English Ivy (4)15	.50	2.00
Dark green leathery leaves but smaller than the Hedera canariensis.			
2-gal. 1.60			
Hedera helix conglomerata. Dwarf Ivy (8)	-----	.50	-----
Small slow growing vine. Leaves are green and slightly twisted.			
Hedera helix arborescens (6)20	.50	-----
A broad leaved evergreen with every appearance of ivy in bush form but having the ivy-like leaves twisted and contorted in an interesting manner.			
Hedera Maple Queen (9)15	.50	-----
Sharply pointed attractive green foliage with an appealing vigorous growth.			
HEDYCHIUM spicata. Ginger Lily (10)	-----	.60	-----
Dwarf tropical shrub with attractively deep green foliage bearing spikes of showy yellow flowers.			
HELIANTHEMUM lasianthum (Halimium lasianthum).			
Sun Rose (7)20	.50	-----
Small evergreen shrub having gray-green foliage. Flowers are yellow blotched with a purple base.			
Helianthemum ocymoides (Halimium ocymoides) (7)20	.50	-----
Evergreen silver-foliaged, low growing shrub. Large soft yellow flowers with a spot of purple at the base.			
HELICHRYSUM petiolatum. Cotton Leaf (9)20	.50	-----
Low growing semi-trailing evergreen shrub. Leaves appear to have been slightly covered with a light snow.			
HELIOTROPIUM Black Beauty (Heliotropium arborescens).			
Heliotrope (10)18	.50	-----
Highly fragrant, deep purple flowers. Plant has unusually dark green foliage.			

	2¼" Pot	1-Gal.	5-Gal.
HELLEBORUS niger. Christmas Rose (9)25	---	---
Large nodding flowers are all shades of pink and age to a char-			
treuse color.			
3" pot40		
HIBBERTIA volubilis. Gold Guinea Vine (10)18	.50	2.00
A luxuriant evergreen vine. Large gold colored single flowers			
create a fascinating contrast against the deep green leaves.			

HIBISCUS (10)

Today's modern architecture and landscaping stresses tropical plantings and none can be complete without one or more Hibiscus — so, your demand for these exotic beauties is sure to keep soaring! MN's Hibiscus are especially grown for the sturdy root systems that mean added vigor and top quality — sure sellers for your nursery. MN produces every favored variety and color.

Agnes Gault.18	.50	1.75
The enormous velvety shrimp-pink single flowers are the largest			
and showiest of all pink hibiscus.			
5-gal. tree-type	3.50		
American Beauty.25	.60	1.75
Large single bright pink flowers of varying intensity — lighter			
shades toward the edges.			
Bride.25	.60	1.75
Large single crepe-like flowers opening to a blush-pink but within			
a few hours turning to a frosty-white.			
Brilliant (San Diego Red).18	.50	1.75
Vivid crimson-red single flowers are produced profusely most of			
the year.			
5-gal. tree-type	2.50		
California Gold.18	.50	1.75
Flowers are a rich single gold color shading into carmine-orange			
toward the center.			
Crown of Bohemia.25	.60	1.75
Rich golden double flowers are produced most of the year. Very			
beautiful foliage.			
Florida Sunset.18	.50	1.75
Small single flower, red with yellowish edges.			

Hibiscus Fullmoon (Trade Mark Registered) (10). See picture page 48

You have never really seen a yellow hibiscus until you have seen the brilliant lemon yellow of new Hibiscus Fullmoon! Its bloom is extremely full and double, its petals wide-spread with a perfect symmetry of a full moon. Its lovely slender leaves are deep, shining green. Fullmoon blooms most of the year, an ideal shrub for foundation planting or hedges. Must be sold with T. M. R. Tags.

5-gal. 2.50

Haleakala.25	.60	1.75
Medium single ruffled golden yellow with a red eye.			
Kate Sessions.18	.50	1.75
One of the largest singles. Velvety amber-pink flowers with large			
overlapping petals.			
Kauai.18	.50	1.75
A large windmill-type single rose-pink. This Hibiscus produces			
unusually good flowers during the winter.			
Kilauea.25	.60	1.75
Large single lemon-yellow. Entire flower is one solid color.			

	2¼" Pot	1-Gal.	5-Gal.
Kona (Double Agnes Gault).18	.50	1.75
This is the double counterpart of Agnes Gault in the same delightful shade of pink.			
Luna.25	.60	1.75
Large single ruffled petals of yellow-orange.			
Mme. Chiang Kai-shek.18	.50	1.75
A beautiful double blush ivory-pink with yellow undertones. One of the hardiest.			
5-gal tree-type	2.50		

Hibiscus President (Trade Mark Registered) (10)

Hibiscus President is one of the most satisfactory Hibiscus ever offered to the nursery trade. Large, single flowers — dramatic both in size and in rich, intense, red coloring, rate it an instant favorite with your customers. Of equal appeal is its vigorous, glossy compact foliage which stays attractive the entire year. Upright and tall, it makes an impressive high hedge or foundation planting. Must be sold with T. M. R. Tags attached.

2¼" pot18 1-gal.50 5-gal. 1.75

Pride of Hankins.18	.50	1.75
Small single red flowers. Strong upright grower.			
Red Monarch.25	.60	1.75
Huge double rosette-shaped flowers of a deep crimson.			

Ross Estey

Extremely large single flower with orange edges shading to glowing rose center. These ruffled and tufted flowers last 3 to 4 days in California. Foliage is extremely heavy and large with a glossy polished appearance.

1-gal. 1.00 5-gal. 2.50

Ruby Red.18	.50	1.75
Beautiful double bright red flowers. Leaves are a bright glistening green.			
Sensation.25	.60	1.75
This beautiful hibiscus has so many beautiful colors all blended into one — apricot, gold and rust. Truly a sensation.			
Subviolacea.18	.50	1.75
Semi-double dark rose red. Vigorous grower.			
Texas Star.18	.50	1.75
Large single rose-pink flower with a brown eye. A strong tall grower and a free bloomer.			
White Wings.18	.50	1.75
Large windmill-type single flowers with white petals and carmine throat.			
5-gal. tree-type	2.50		

HARDIER HIBISCUS (7)

This variety does well in the colder areas. Even if they freeze to the ground they grow quickly the following spring and summer and provide an abundance of flowers.

Mutabilis Rubra. Confederate Rose.20 .50 1.75
Large single red flowers.

HOLMSKIODIA sanguinea. Chinese Hat Plant (9)18	.50	
An evergreen climbing shrub. Long clusters of bright red flowers; bracts are produced most of the year.			

HIBISCUS FULLMOON (TRADE MARK REG.)

For Description see page 46

	2¼" Pot	1-Gal.	5-Gal.
HOSTA plantaginea. Funkia plantaginea. Plantain-Lily (6)75	-----
Long strap-like leaves bearing showy white fragrant flowers to five inches long in late summer.			
HOYA carnosa. Wax Vine (9)25	.60	-----
A climber with perfect waxy-white flowers with pink clusters. Its thick succulent-looking leaves require shade and much moisture.			
3" pot40		

ILEX ALTAACLARENSIS WILSONI

See Description, page 51

2 1/4" Pot 1-Gal. 5-Gal.

HOHERIA populnea purpurea (9)25	.75	-----
Showy tree to 30 feet with long double-toothed leaves. Especially good as an ornamental.			

HYDRANGEAS (9)

MN's fine French hybrids are sure "sell-on-sight" items in the spring when the huge shiny apple-green leaves are almost hidden under gigantic pompons of brilliant bloom. Be sure to stock the full range of colors for extra quantity sales.			
Hamburg.18	.50	1.75
Very striking scarlet colored flowers produced in large clusters in early spring.			
Hortensis (H. macrophylla)18	.50	1.75
Bushy growing shrub bearing large clusters of delicate pink flowers. This variety grows taller and takes more sun than the French Hybrids.			
Merritt's Beauty.18	.50	1.75
Blooms are a very striking carmine-red.			
Revelation.18	.50	1.75
This hydrangea is a bright red. Compact dwarf habit of growth.			
Trophee.18	.50	1.75
Large heads of brilliant, salmon-rose flowers. Dwarf, compact habit of growth.			
White.18	.50	1.75
Giant clusters of pure white flowers.			
Hydrangea petiolaris. Climbing Hydrangea.20	----	-----
Showy artistic vine with large bold foliage. It clings to walls or other supports. Produces large flaky sterile blooms. Very showy and fragrant.			

HYPERICUM calycinum (7)15	.45	-----
A low growing, bushy plant, bearing large, yellow flowers from May through October.			
Hypericum hidcote (6)18	.45	1.75
The beautiful golden-yellow flowers are cup-like, and waxy, and are produced more freely than on most hypericum. Growth is spreading.			
Hypericum moserianum. Goldflower (7)18	.45	1.75
Low growing, rounded shrub with arching branches and dark green leaves. Flowers are bright yellow with clusters of brown stamens in the center.			
Hypericum patulum henryi. Henry's Golden Cup (7)18	.45	1.75
Low, bushy growing shrub with light green foliage. Almost ever-blooming, it produces masses of bright yellow flowers.			
Hypericum Sungold (Patent No. 568) (6)35	.75	1.95
A shapely, dwarf shrub which grows into an almost completely oval globe. It bears golden-yellow flowers at the end of every shoot of the summer's new growth.			
IDESIA polycarpa (6)25	.75	2.25
Tall growing deciduous tree bearing fragrant yellow flowers followed by orange-red berries.			

HOLLY (ILEX)

Holly is profitable for you. Hardy, healthy, generally evergreen and versatile—all the more so because of MN's careful growing methods. Holly will be one of your steadiest, most popular sellers the year 'round. You'll find every desirable variety in the list below. Order today!

ILEX altaclarensis wilsoni (7)

Ideal as a tree or large shrub, the spiny large thick leaves and bright red berries make it one of the finest evergreen hollies. Vigorous rigid growth — always look neat. Dioecious. See picture page 49.

2 1/4" pot .30 1-gal. .75 5-gal. 2.50 5-gal. tree-type 5.00

	2 1/4" Pot	1-Gal.	5-Gal.
Ilex aquifolium fertilis (6)	.25	.75	2.00
Bright green foliage. Produces masses of berries because of its self-fertility.			
Ilex aquifolium. (Seedlings). English Holly (6)	.18		
Evergreen shrub with deep green serrated foliage. Vigorous growth.			
Ilex aquifolium teuffel (6)	.25	.75	2.25
Especially neat appearing English holly with compact foliage and abundance of red berries.			

Ilex aquiperni Brilliant (5)

Very neat long heavily serrated leaves and quantities of bright red berries make it one of the most eye-catching. Like Ilex burfordi, it nearly always produces berries. Self-fertile and evergreen.

2 1/4" pot .30 1-gal. .75 2-gal. 1.75 5-gal. 2.50

Ilex cornuta (Cuttings). Chinese Holly (6)	.18	.50	1.75
Hardy, medium to large shrub with deep green glossy leaves. Large bright red berries.			
Ilex cornuta. (Seedlings). (6)	.15	.45	1.75
Versatile holly, grows in sun or shade. Compact and faster grower than the cuttings.			
2-gal.	1.45	5-gal. 3' Pyramid	3.00
5-gal. 5' Pyramid	7.50		
Ilex cornuta burfordi. Burford Holly (6)	.18	.50	1.95
The most prolific bearer of large bright red berries. Leaves are deep glossy green almost without spines. Self-fertile.			
2-gal.	1.50	5-gal. 3' Pyramid	3.00
5-gal. 5' Pyramid	7.50	5-gal. Espalier	5.00
Ilex cornuta rotunda (6)	.20	.50	2.00
A very superior compact low growing holly with dense habit of growth. Ideal for those shady areas.			
2-gal.	1.50		
Ilex crenata convexa (Ilex crenata convexa bullata) (6)	.18	.50	
Compact slow growing shrub. Very glossy small rounded leaves.			
2-gal.	1.50		
Ilex crenata helleri (5)	.18	.60	
Dwarf growing type of holly. Excellent for hedges. Small leaves and compact type of growth.			

	2 1/4" Pot	1-Gal.	5-Gal.
Ilex crenata rotundifolia (5)20	.50	2.00
Has a dense habit of growth. Excellent for shady areas. A superior compact holly.			
Ilex glabra (6)20	.50	2.00
Strong growing upright branches. Foliage typical of crenata types. Neat appearing.			
Ilex Green Island. (Patent No. 817) (5)35	.75	-----
Low spreading holly, with horizontal growth. Can be planted sun or shade. Mature size 4 feet high, 10 feet wide.			
Ilex opaca East Palatka (5)20	.60	2.00
Vigorous large growing holly with attractive foliage and brilliant berries.			
Ilex pernyi (6)20	.60	-----
One of the finest hollies with graceful drooping branches closely overlaid with spiny long pointed, deep green leaves. Produces large red berries.			
Ilex vomitoria Dwarf Yaupon (7)20	.60	2.25
A dwarf, attractively compact form of Ilex vomitoria. Shiny slightly spined leaves and refined low growth make it so desirable in planters and ground covers.			
3" pot35	2-gal.	1.75
Ilex vomitoria Pride of Texas (7)20	.60	2.25
Evergreen tree or large shrub with small oval leaves and bright red berries. Usually self-fertile.			
3" pot35	2-gal.	1.75
ITEA ilicifolia. Holly-Leaf Sweetspire (8)18	.45	1.75
Attractive evergreen shrub attaining a height of 3 to 5 feet. Its holly-like leaves are a deep shining green.			
JACARANDA mimosaeifolia. Jacaranda (10)18	.50	2.00
Medium-sized evergreen tree with large fern-like light green leaves. Clusters of bignonia-like lavender-blue flowers.			
JACOBINIA carnea (10)20	.50	-----
A small compact evergreen plant with tropical leaves. Rose-red flowers borne on long spikes.			
JASMINUM floridum (6)20	.50	1.85
Grows as a bush, handsome dark green foliage. Bright yellow flowers are borne in spring and summer.			
2-gal.	1.50		
Jasminum grandiflorum. Spanish Jasmine (9)45	1.75
Slender growing twining vine with deep green foliage and fragrant white flowers.			
Jasminum magnificum. Angel Wing Jasmine (10)20	.50	1.85
Large, fragrant white windmill-like flowers. Large green leaves. Semi-vine but grown as bushes.			
Jasminum parkeri (7)25	.75	-----
A dainty miniature shrub of rounded compact growth habit. The flowers a bright yellow, are borne in profusion.			
3" pot40		
Jasminum primulinum (Jasminum Mesnyi).			
Primrose Jasmine (9)18	.50	2.00
Strong growing vine with rich green stems and leaves and bright, light yellow double flowers. Evergreen.			

MAHONIA AQUIFOLIUM
See Description page 58

	2¼" Pot	1-Gal.	5-Gal.
Jasminum sambac Maid of Orleans (10)20	.60	-----
Evergreen Jasminum which produces a quantity of blossoms that are double and creamy-white. Has exquisite Jasminum fragrance.			
3" pot40		
JUNIPERUS — See Conifer Section			
KOELREUTERIA paniculata. Golden Rain Tree (5)18	.50	2.00
Deciduous tree attaining the height of about 30 feet. In late summer it produces panicles of bright yellow flowers.			
LAGERSTROEMIA indica Dwarf Lavender (6)18	.50	1.75
Large shrub or small tree covered with light lavender flowers in late summer. Deciduous.			

	2¼" Pot	1-Gal.	5-Gal.
Lagerstroemia indica Kellog's Purple (6)20	.50	-----
Deciduous shrub produces mass of rich purple flowers.			
Lagerstroemia indica rosea. Pink Crape Myrtle (6)18	.50	1.75
Large specimen shrub or small tree; hardy and deciduous. Be-comes a mass of crepe-textured rose-pink flowers in summer.			
1-gal. staked 5-gal. tree-type60	2.25	
Lagerstroemia indica rubra. Red Crape Myrtle (6)18	.50	1.75
Vigorous upright growth; hardy and deciduous. Rose-red flowers.			
1-gal. staked 5-gal. tree-type60	2.25	

Lagerstroemia indica Watermelon Red Improved (6)20	.50	1.85
Vigorous shrub or small tree that becomes a mass of crinkly, bright red flower clusters. Deciduous.			
1-gal. staked 5-gal. tree-type60	2.25	

Lagerstroemia indica alba (6)20	.50	1.85
Large snowy-white flowers usually ruffled and set in dense pan-cles along the branches. Very showy. Deciduous.			
1-gal. staked 5-gal. tree-type60	2.25	

Lagerstroemia indica William Toovey (6)20	.50	-----
Neat compact growing habit producing a solid mass of beautiful deep watermelon-red flowers in large heads.			

Lagerstroemia reginae Orchid. Queen's Crape Myrtle (9)			
Queen's Crape Myrtle — a very beautiful summer flowering tree or large shrub producing great spikes of light lavender flowers during the summer. Grafted.			
1-gal. 5-gal.	1.25	2.50	

Lagerstroemia sub-costata (9)25	.75	-----
Large deciduous tree that bears beautiful pyramidal clusters of long white and rose flowers at the tips of the branches.			

LANTANA callowiana Goldrush (Plant Pat. No. 1211) (9)			
Trailing yellow — an entirely new species produced from the hybridization of Lantana camara and Lantana sellowiana, retaining only the finer character-istics of each. All who have seen it are amazed and delighted, and believe it to be the finest of all Lantana. Practically all year countless clusters of the brightest yellow flowers cover the entire plant. The foliage, an attractive deep forest green, makes a most pleasing color contrast with the bright yellow flowers. One of the most outstanding characteristics is its trailing habit of growth, which means it can be used in so many ways, such as ground covers, bank covers, planters, etc. This attractive, prostrate shrub, Goldrush, grows rapidly and re-quires very little care. Must always be sold with patent tags.			
2¼" pots 3" pots 1-gal.30	.45	.60

Lantana camara (9)			
Exceptionally dwarf and compact, these evergreen Hawaiian shrubs produce a mass of color the year around. Easy to grow.			
Christine. Cerise-pink.15	.40	-----
Dwarf Pink. Bright pink flowers.15	.40	-----
Dwarf White. Velvety white flowers.15	.40	-----

LANTANA (con't)	2¼" Pot	1-Gal.	5-Gal.
Dwarf Yellow. Bright Indian yellow flowers.15	.40	-----
Radiation. Rich orange-red flowers.15	.40	-----
Lantana sellowiana. Trailing Lantana (9)15	.40	-----
Low spreading evergreen shrub with deep green leathery leaves. Covered most of the year with lavender-pink flowers.			
LAVENDULA dentata (8)20	.60	-----
Small ornamental shrub producing bright lavender flowers which have a delightful fragrance.			
Lavendula latifolia (8)20	.60	-----
Attractive green-gray foliage with deep purple flowers. Resembles lavendula vera, except more compact.			
Lavendula vera. English Lavender (7)18	.50	-----
Dwarf, compact, shrubby perennial with silvery-gray foliage and fragrant lavender flowers.			
LEPTOSPERMUM citriodora. Lemon Tea Tree (9)20	.50	1.75
Evergreen shrub of refined growing habits. Foliage has pleasing citrus fragrance. Flowers are single white.			
Leptospermum flavescens (9)20	---	-----
Tall growing evergreen shrub with dull green leaves. Bears small white flowers.			
Leptospermum keatleyi (9)20	.50	-----
Graceful evergreen shrub. Beautiful pink flowers with purple centers during late summer and early spring.			
Leptospermum laevigatum. Australian Tea Tree (9)18	---	-----
Tall growing evergreen shrub or small tree with very small rich green narrow leaves and sprays of pure white flowers.			
Leptospermum reevesi. Dwarf Australian Tea Tree (9)18	---	-----
Compact evergreen shrub with small oval leaves and white flowers.			
Leptospermum scoparium flore pleno (9)18	.50	-----
Double rose-pink flowers cover the entire shrub during early spring. Beautiful dark foliage.			
Leptospermum scoparium Ruby Glow (9)18	.50	-----
Evergreen shrub with dark purple stems and ox blood-red flowers. Very colorful.			
LEUCAENA retusa. Little Leaf Leadtree (8)20	.60	2.00
Tree to 30 feet with Acacia-like foliage.			
LEUCOPHYLLUM texanum. Texas Sage. Senisa (8)20	.50	1.75
Drought resistant shrub with silver-gray foliage, orchid-pink snapdragon-like blooms.			
LIBOCEDRUS decurrens — See Conifer Section.			
LIGUSTRUM japonicum. Japanese Privet (8)	---	.45	1.75
Large leaved, fast growing evergreen shrub or tree.			
5-gal. tree-type	2.50		
Ligustrum lodense (5)15	.50	-----
Compact growing shrub with thick heavy deep green leaves. Grows very full.			
Ligustrum ovalifolium variegatum. Golden California Privet (5) ..	.15	.45	-----
Easily grown evergreen shrub with small, closely set, golden-yellow leaves. Rapid growth.			

2 1/4" Pot 1-Gal. 5-Gal.

Ligustrum texanum. Wax Leafed Ligustrum (7)15 .45 1.75

Versatile evergreen shrub with deep green glossy foliage, heavy textured leaves. Stands shearing well.

5-gal. Pyramid 5'	3.75	5-gal. Espalier	4.50
5-gal. Poodle	6.50		

Ligustrum texanum variegata (7)20 .60

Excellent shrub with deep green foliage margined with gold. Very vigorous and attractive—many uses.

Ligustrum vicari (5)18 .45

Dwarf growing hardy privet with a bright golden foliage. Excellent for filler or specimens.

2-gal. 1.45

LIPPIA citriodora. Lemon Verbena (9)18 .45

Medium size deciduous shrub with light green aromatic foliage and loose panicles of tiny white to pale lavender flowers.

LIQUIDAMBAR styraciflua. Sweet Gum (5)18 .50 2.00

Tall deciduous tree with a pyramidal head of maple-shaped leaves of deep rich green leaves. Bright autumn color in fall. See page 25.

LILAC. See Syringa or Ceanothus.

LIRIODENDRON tulipifera. Tulip Tree (5)18 .50 2.00

Deciduous tree with bluish-green foliage. Tulip-shaped flowers of yellow-orange produced in spring.

LIRIOPE grandiflora (6)50

Wonderful for ground cover or ornamental specimen. Lush green foliage.

Liriope spicata. (Liriope graminifolia) (6)50

A good grass-like plant good for ground covers or dish garden. Light lilac colored flowers.

Liriope variegated (6)50

Attractive grass with variegated blades, has a well defined and interesting habit of growth.

LONICERA heckrottii Improved. Coral Honeysuckle (5)18 .50 2.00

Climbing, twining vine with two inch oval leaves and brilliantly colored honeysuckle flowers of coral-red and yellow.

Lonicera hildebrandtiana. Giant Burmese Honeysuckle (10)..... 1.00 2.25

Large shining leaves and clusters of white and yellow flowers bloom for six or seven months. Grafted.

Lonicera japonica halliana. Hall's Japanese Honeysuckle (5)..... .15 .45

Vigorous twining vine much used as a ground cover or for covering fences, arbors, etc. Fragrant white to yellow flowers.

1-gal. staked50

Lonicera japonica purpurea (5)..... .15 .45

Similar to *Lonicera japonica halliana* in most ways except the foliage has a red tint.

1-gal. staked50 5-gal. staked 1.75

Lonicera Max Sachaliniensis (5)..... .18 .50

Grows to 10 feet with violet-red flowers in May and June. Fits perfectly into any landscape.

Lonicera pileata yunnanensis (5)..... .18 .50

Low spreading semi-evergreen with handsome deep green foliage. Flowers are quite fragrant.

PALMETTO ESPALIER

5' PYRAMID

BUSH-TYPE

LIGUSTRUM TEXANUM IN 5-GALLONS

	2¼" Pot	1-Gal.	5-Gal.
Lonicera syringantha (5)18	.50
Upright, slender branched shrub. Leaves are obtuse shaped and a dull blue-green in color. Very attractive.			
Lonicera zabeli (5)20	.50
Small shrub to 12 feet, small linear leaves. Rose-pink flowers are produced May and June.			
LOQUAT—See Eriobotrya japonica.			
LOTUS berthelotti (Pigeon's-beak) (9)20	.50
Attractive trailing plant with finely divided feathery thread-like foliage. Scarlet to crimson flowers.			
LYSILOMA thornberi (9)20	.50	2.00
Handsome large growing evergreen shrub with feathery foliage. Native to Arizona. Very rare.			
MAGNOLIA Grandiflora. Southern Magnolia (7)18	.50	2.00
Medium size evergreen tree with large, deep green, glossy leaves and immense lily-like, fragrant white flowers.			
5-gal. espalier	6.50		
Magnolia obovata (Magnolia hypoleuca) (5)25	---	---
Large white flowers and dark green leaves glaucous underneath. Very attractive tall growing tree.			

	2 1/4" Pot	1-Gal.	5-Gal.
Magnolia soulangeana. Saucer Magnolia (5)	1.00	3.50	
Small deciduous tree producing large multi-colored exotic flowers in early spring.			
MAHONIA aquifolium. Oregon Grape (4)18	.50	1.85
Medium size, evergreen shrub with deep, glossy green, holly-like foliage and clusters of yellow flowers followed by blue grape-like berries. See picture page 53.			
2-gal.	1.45		

Mahonia aquifolium compacta (4)

A compact type of popular Oregon Grape, an outstanding evergreen easily grown in sun or partial shade. Deep green, glossy foliage.

1-gal.75	2-gal.	1.75	5-gal.	2.25
-------------	-----	-------------	------	-------------	------

Mahonia bealei. Holly Grape (5)20	.60	2.25
Large slow growing shrub with outstanding foliage of bronzy green.			
2-gal.	1.75		

Mahonia lomarifolia (8)25		
Most interesting design created by the compound deep leathery green leaves of this refined evergreen accent shrub.			

METROSIDEROS tomentosa. New Zealand Christmas shrub (10)18	.60	1.95
Large shrub having large dark green leathery leaves. Dark red flowers form in dense showy heads.			

MICROLEPIA spelunica (8)75	2.50
Fast growing upright fern with dark green foliage. Spreads very rapidly.			

MONSTERA deliciosa (9)		1.00	
Deeply lobed leaves of true tropical character. Very slow growth. Ideal for patios.			
3" pot50		

MURRAEA exotica (Murraya exotica). Orange Jessamine (9) ____	.20	.50	1.75
An improved, dwarf, compact growing variety. Exquisite foliage, and the fragrant, pure white flowers are borne from April through July.			

Murraea paniculata (Murraya paniculata).			
Orange Jessamine (9).....	.20	.50	1.75
Delightful evergreen shrub with luxuriant, bright green, small leaves and small, waxy white flowers with intense, orange blossom fragrance.			

MUSA ensete. Abyssinian Banana (10)60	2.00
An ornamental banana, ideal for tropical plantings. Fast growing.			
3" pot30		

MYOPORUM laetum (9)18	.50	
A large dense shrub or small tree with bright, shiny leaves and purple spotted, white flowers.			

Myoporum tomentosum (9)18	.50	
Very similar to Myoporum laetum except the leaves are larger.			

MYRCIARIA edulis. Cherry of the Rio Grande (10)20	.50	2.00
Handsome evergreen tree that bears crops of tartarian cherry-like fruit. Good for preserves.			

	2¼" Pot	1-Gal.	5-Gal.
MYRSINE africana. African Boxwood (8)18	.50	1.75
A fine, compact, evergreen shrub with small, rounded leaves similar to boxwood. Does well in sun or shade.			
MYRTUS boetica (9)75	-----
Small evergreen shrub having larger leaves than common myrtus. Cutting grown to insure true characteristics.			
Myrtus communis. True Myrtle (8)15	.45	1.75
Creamy-white flowers appear in the spring. A very compact grower with small, deep, shiny, green leaves.			
Myrtus communis compacta. Dwarf Myrtle (9)15	.45	1.75
A slow growing, very compact, evergreen shrub with small, glossy, green leaves.			
Myrtus communis variegata (9)18	.50	1.75
Small, compact, evergreen shrub with variegated leaves of white, silver and green.			
Myrtus compacta variegata (9)20	.60	-----
Same fine quality as Myrtus compacta except for the variegation of the leaves.			
NANDINA domestica. Heavenly Bamboo (6)15	.45	1.75
Low growing shrub to 4 feet, having much divided leaves which turn a brilliant red in autumn.			
2-gal.	1.45		
Nandina domestica compacta (6)75	-----
More dwarf and compact growing than Nandina domestica.			
NERIUM oleander. Oleander (9)			
Large growing, evergreen shrubs with long, narrow, dark green leaves and showy clusters of waxy, brightly colored flowers in the summer. Oleanders grow well in hot, dry areas and at the sea coast. All thrive with little care.			
Nerium Cherry Ripe18	.45	1.75
Brilliant, single, rose-red flowers.			
Nerium Compté Barthelemy18	.45	1.75
Double, bright red flowers, sometimes streaked with white.			
Nerium Jannoch18	.45	1.75
Large, single, bright red flowers.			
Nerium Mrs. Roeding18	.45	1.75
Double salmon-pink flowers.			
Nerium Pink Beauty18	.45	1.75
Largest, single, pink flowers.			
Nerium Sister Agnes18	.45	1.75
Pure single white flowers.			
NORTHOPANAX arboreum (9)			2.50
Beautiful evergreen tree to 25 feet with lush deep green leaves. Very small flowers.			
OCHNA multiflora. Bird's-Eye Bush (9)20	.60	2.00
Evergreen shrub with long finely-toothed leaves of bronzy tint. The dark yellow flowers are followed by red fruit.			

	2 1/4" Pot	1-Gal.	5-Gal.
OLEA manzanilla. Manzanilla Olive (8)20	.50	1.75
A round-headed evergreen tree with distinctive gray-green foliage. Fruiting variety.			
1-gal. staked60	5-gal. tree-type	2.00
OLMEDIELLA betscheleriana. Costa Rican Holly (10)20	.50	1.75
Evergreen shrub or small tree having large, thick, glossy serrated leaves. Very desirable and neat in growth.			
1-gal. staked60	5-gal. tree-type	2.00
5-gal. espalier	4.50		
OPHIOPOGON japonicus. Lily Turf (6)15	.50	-----
Valuable ground cover because of its sod-forming habit. Evergreen grass with light lavender flowers.			
OSMANTHUS americanus (9)18	.50	-----
A bushy shrub or tree to 40 feet with whitish bark and lustrous very large olive-like leaves. Very fragrant flowers.			
Osmanthus delavayi (7)20	.60	1.75
Shiny green foliage on arching branches, refined growth. Fragrant white flowers.			
Osmanthus fragrans. Sweet Olive (9)20	.50	1.75
Evergreen shrub for sun or partial shade. The dense, dark green foliage conceals the tiny white flowers which have a delightful fragrance.			
Osmanthus ilicifolius variegatus. False Holly (7)75	-----
An evergreen shrub having holly-like irregularly spined leaves of leathery texture. The leaves are dark green edged with creamy-white.			
3" pot50	2-gal.	2.00
Osmanthus San Jose Hybrid (8)20	.50	1.75
Tall evergreen shrub or small tree with holly-like foliage. Creamy-yellow fragrant flowers produced in fall and winter.			
OSTEOMELES scherinana (7)50	-----
Evergreen shrub in warm climates with very fine lacy foliage deep green in color with undertones of light purple.			
PARKINSONIA aculeata. Jerusalem Thorn (8)20	.60	-----
A very good, small deciduous tree for hot dry places. During early summer it becomes a mass of small, bright yellow flowers.			
PASSIFLORA edulis. Passionfruit, Purple Granadilla (10)50	-----
Fast growing, evergreen vine. White flowers in summer followed by purplish edible fruit.			
Passiflora pfordi (9)20	.50	2.00
The most beautiful passion vine with large flowers, white with pinkish tints with a purple-blue crown in center.			
Passiflora princeps (10)20	-----	-----
This passion vine produces beautiful dark red flowers with a purple and white crown.			
PELTOPHORUM ferrugineum (10)20	-----	-----
Tropical evergreen tree with showy bright yellow flowers in terminal panicles. Lush green foliage.			
PHASEOLUS gigantea. Giant Snail Vine (10)20	.50	2.00
An evergreen vine producing lavender flowers in large clusters.			
PHELLODENDRON amurense. Cork Tree (7)20	-----	-----
Interesting tree has cork-like bark and green pinnate leaves with small greenish flowers. Good for specimen planting. Deciduous.			

	2¼" Pot	1-Gal.	5-Gal.
PHILADELPHUS virginalis. Mock Orange (4)18	.45	1.75
The finest Philadelphus, having large double and semi-double, pure white flowers.			
Philadelphus coronarius aureus (4)18
Tall growing stiff upright shrub with sweet orange scented white flowers.			
PHILLYREA media (9)20	.60
Small evergreen tree or shrub opposite gray-green leaves. Very attractive.			
PHILODENDRON bipinnatifidum (9)	3.75
Lush tropical leaves on upright stems make a showy masterpiece. Long deeply lobed leaves.			
Philodendron Jungle Gardens (9)	3.75
Beautiful huge, frilled leaves that stay flat (do not cup).			
Philodendron selloum (9)25	.75	3.00
A wonderful plant for that lush tropical planting, both indoors and out. The leaves are large, glossy and deeply lobed.			
3" pot40		
PHOENIX canariensis. Ornamental Date Palm (8)60	2.50
Rapid growing palm that forms an immense crown of gracefully curving fronds.			
Phoenix reclinata (9)75
Graceful palm to 25 feet, with large, bright green arching fronds.			
PHORMIUM tenax. New Zealand Flax (9)18	.50	1.75
Long, stiff, sword-like leaves margined with red and orange lines. Grows well in dry locations.			
PHOTINIA glabra (7)18	.50
Vigorous growing evergreen shrub to 8 feet. Very beautiful in the spring as the new foliage is a brilliant red.			
Photinia serrulata. Chinese Photinia (7)15	.45	1.75
Large evergreen shrub with bronze tinted leaves 4 to 5 inches long. Clusters of white flowers followed by bright red berries.			
2-gal.	1.45		
Photinia serrulata nova (7)20	.50	1.85
A very good evergreen shrub. The large, dark green, thick, shining leaves are attractive the whole year.			
2-gal.	1.50		
5-gal. tree-type	3.50	5-gal. espalier	4.50
PISONIA brunoniana (9)20	.75
Tropical evergreen tree to 20 feet with glabrous leaves having sticky ribs.			
PISTACIA chinensis. Chinese Pistachio (7)25	.60	2.00
Rapid growing deciduous tree. Ideal for ornamental planting. In the fall there is no finer tree for intensity of foliage coloring.			
PITTOSPORUM crassifolia (9)15	.45
A large, evergreen shrub or small tree, having gray-green foliage. Excellent for screens and does well in sandy soils.			
Pittosporum eugenioides. Tarata Pittosporum (9)15	.45	1.75
Large shrub or small tree with light green foliage. This is a good substitute for Eugenias in areas subject to frost.			

2 1/4" Pot 1-Gal. 5-Gal.

Pittosporum heterophyllum (9)			1.75
Slow growing evergreen shrub that produces very fragrant, pale yellow flowers. Ideal for bank plantings.			
Pittosporum nigricans (P. tenuifolia) (9)15	.45	1.75
Foliage is darker than eugenoides. The stems are dark brown, almost black.			
Pittosporum tobira (8)15	.45	1.75
Evergreen shrub with long shiny green leaves. Fragrant white flowers.			
Pittosporum tobira variegata (9)18	.50	1.75
Similar to tobira but dwarfer in growing habit. Foliage is a combination of light green and white variegated leaves.			
Pittosporum undulatum. Victorian Box (9)15	.45	1.75
Large shrub or small tree with rich green, pointed leaves. Fragrant, creamy-white flowers followed by orange berries.			
5-gal. tree-type	2.50		
PLEROMA grandiflora (Tibouchina elegans).			
Princess Flower (10)18	.45	1.75
Evergreen shrub with bronzy-green velvety leaves and huge colorful purple flowers.			
PLUMBAGO capensis. Blue Cape Plumbago (9)15	.45	1.75
Semi-climbing shrub producing clusters of blue flowers during the summer. Evergreen.			
Plumbago capensis alba. White Plumbago (9)45	
Similar in growth to Blue Plumbago but flowers are white.			
POINCIANA gilliesi (8)20	.60	2.00
Shrub or small tree with many small leaves. Attractive, yellow flowers with long, red stamens.			
POINSETTIA Henrietta Ecke. Double Poinsettia (10)50	
The finest of the double flowering poinsettias. Produces large heads of brilliant red flowers around Christmas time.			
POLYGALA dalmaisiana. Sweetpea Shrub (9)18	.45	1.75
Evergreen, small to medium size shrub having small, light green leaves and producing masses of orchid-like purple flowers.			
POLYGONUM auberti. Silver Lace Vine (4)20	.60	2.00
Hardy, climbing, twining vine having masses of slender stems and light green foliage. The plumes of tiny white to pinkish flowers last a long time.			
POLYSTICHUM capense. Leather Fern (8)75	
Slow grower with dark green glossy foliage. Has creeping rootstock.			
Polystichum setosum (8)75	
Coarse growing fern with heavy textured leaves. Grows very well in shaded areas.			
POTENTILLA farreri (4)20	.50	
Low growing evergreen shrub with bright yellow flowers.			
Potentilla fruticosa. Gold Drops (4)18	.50	
Small compact growing shrub producing a mass of golden buttercup-like flowers all summer.			
Potentilla fruticosa Kathy Dykes (4)15		
A small compact deciduous shrub with finely cut fern-like foliage and numerous yellow flowers from late spring until fall. Prefers sun.			

	2 1/4" Pot	1-Gal.	5-Gal.
PRUNUS caroliniana. Carolina Cherry, Cherry Laurel (7)15	.45	1.75
Large shrub or a small tree with dark glossy, green foliage. White flowers followed by small, dark berries.			
2-gal.	1.45	5-gal. tree-type	2.50
Prunus cistena. Dwarf Red Leaf Plum (4)20
Spectacular red-leaved plum that grows to about 6 feet in height.			
Prunus integrifolia. (P. Lyoni). Catalina Cherry (8)50	1.75
Large, slow growing shrub or small tree with light green, glossy foliage, white flowers and purple fruits.			
3" pot25		
Prunus jacquemonti. Jacquemont Cherry (5)18	.50
Deciduous spring blooming shrub, producing single pink flowers followed later by sweet, tasty cherries.			
Prunus laurocerasus. English Laurel (6)18	.45	1.75
Evergreen, hardy, large growing shrub with heavy, rich green foliage. Will not grow in alkaline soil.			
Prunus lusitanica. Portuguese Laurel (7)18	.50
Evergreen shrub similar to English Laurel but leaves darker green, narrower and toothed.			
PTERIS flaceda (9)75
Delicate lacy dark green fronds resembling carrot tops. Prefers shade and an abundance of moisture.			
Pteris Ostrich Plume (Onoclea struthiopteris) (5)75
Beautiful deep green fronds. Very vigorous grower. Shade.			
Pteris ouvardi (9)75
Tall stems with finger-like leaves. Fast vigorous grower.			
Pteris tremula (9)75
Coarsely serrated fern with attractively yellow-green fronds.			
Pteris Woodrustic (7)75	2.50
Fast growing fern with long light green fronds. Prefers shade.			
PUNICA Chico. Dwarf Carnation Flowered Pomegranate (7)18	.50
One of the finest dwarf, deciduous shrubs. The leaves are light green; flowers are bright red in the summer.			
Punica granatum nana. Dwarf Pomegranate (7)15	.45
Dwarf, compact, deciduous shrub; producing single red flowers and fruits of ornamental value.			
PYRACANTHA coccinea lalandi Monrovia (5)18	.50	1.75
One of the hardiest pyracantha. Long arching branches with lustrous green foliage and sprays of bright orange berries in the fall and winter.			
2-gal.	1.45	5-gal. espalier	4.50
Pyracantha coccinea lalandi Thornless (4)18	.50	1.75
Hardy pyracantha; generally a thornless variety. Produces orange berries.			
Pyracantha coccinea pauciflora (4)18	.50	1.75
Evergreen, low growing, pyracantha that is able to withstand extreme weather conditions.			
2-gal.	1.45		
Pyracantha coccinea Red Berry (4)18	.50	1.75
Similar to other coccineas in growth but berries are more red.			

	2 1/4" Pot	1-Gal.	5-Gal.
Pyracantha coccinea wyatti (4)18	.50	1.75
Very hardy variety producing clusters of orange-red berries in early fall.			
2-gal.	1.45	5-gal. espalier	4.50
Pyracantha crenata—serrata graberi. Graber's Fierthorn (8)18	.45	1.75
A large vigorous growing pyracantha, outstanding for its large red berries produced in great clusters at Christmas time.			
1-gal. Pyramid 14"65	5-gal. Pyramid 3'	2.00
5-gal. Pyramid 5'	2.50		
Pyracantha Government Red (8)18	.50	1.75
A new hardier variety with foliage like other red berrying types.			

Pyracantha Rosedale (Trade Mark Reg.) (8)18	.50	1.75
Pyracantha Rosedale richly deserves its reputation as the most beautiful pyracantha. In early spring it produces long arching sprays of tiny, lacy, ivory-white flowers. In summer dark, rich green foliage goes on display. Finally, in fall and winter, it grows heavy with large berries, darkest red of any variety. Highly versatile—easily espaliered on walls, fences, or trained as a flaming hedge. Must be sold with Trade Mark tags attached. See picture page 21.			
1-gal. Pyramid 14"75		
5-gal. Pyramid 5'	2.50		
5-gal. Espalier Palmetto	4.50		
5-gal. Espalier Candalabra	6.00		
5-gal. Pyramid 3'	2.00		

Pyracantha Santa Cruz Prostrata (8)20	.50	1.75
Unique and delightful prostrate growing habit allows this pyracantha to be used in new ways. Large red berries arrive in fall, continue well into winter.			
Pyracantha Victory (8)18	.45	1.75
Strong growing pyracantha producing large red berries which are retained long after Christmas.			
2-gal.	1.45	1-gal. Pyramid 14"65
5-gal. Pyramid 3'	2.00	5-gal. Pyramid 5'	2.50
5-gal. Espalier Palmetto	4.50		
Pyracantha walderi prostrata (8)20	.50	1.75
Especially large red berries in clusters. Spreading habit of growth.			
PYRUS kawakami. Evergreen Pear (9)			2.50
May be grown as a small tree, a large shrub or very effectively espaliered. The glossy luxuriant foliage is handsome the year around. In the spring it's a mass of fragrant white flowers. Grafted.			
5-gal. espalier	4.50		
5-gal. espalier candalabra	6.00		
QUERCUS agrifolia. California Live Oak (9)50	2.00
A round-headed, spreading, evergreen tree with rough black bark and dark green foliage.			
3" pot25		
Quercus ilex. Holly Oak (7)50	2.50
An excellent medium-sized evergreen tree with shiny finely-toothed, holly-like leaves.			
3" pot25		
RAPHIOLEPIS APPLE BLOSSOM (8)75	
A hardy evergreen shrub with apple blossom-like flowers. Luxuriant green foliage.			

RAPHIOLEPIS SPRINGTIME (TRADE MARK REG.)

	2¼" Pot	1-Gal.	5-Gal.
Raphiolepis indica Springtime. Pink Indian Hawthorne. (Trade Mark Reg.) (8)75	2.50
Veteran nurserymen tell us that no other hawthorne can match the beauty of our new Springtime. January to April, its superb, leathery, evergreen foliage is literally flooded with magnificent apple-blossom pink bloom clusters. Taller, more regal than most Hawthornes, it grows moderately fast. Blooms lighten in color inland. An amazingly attractive shrub and a steady seller for dependable turnover and profits. Must be sold with T. M. R. Tags attached.			

Raphiolepis indica Enchantress. Red Indian Hawthorne. (Trade Mark Reg.) (8)75	2.50
For its pure beauty, your customers will give Raphiolepis Enchantress excited praise. Flowers are large, of rich rose-red and appear in thick clusters from late winter till early summer. The shrubs growing habits are upright and compact and show off luxuriant, glossy green foliage to superb advantage. Hardy—grows in full sun or partial shade. Flowers deepen in color near the ocean. Must be sold with T. M. R. Tags attached.		

	2 1/4" Pot	1-Gal.	5-Gal.
Raphiolepis ovata. Round-Leaf Raphiolepis (6)18
Medium to large evergreen shrub with rounded dark green leathery leaves. Produces clusters of fragrant white flowers. Hardy in sun or shade.			
Raphiolepis indica Santa Barbara (Seedlings) (8)20	.50	1.75
Flowers will vary in color from a light pink to deep rose.			
REINWARDTIA indica (Linum flavum). Yellow Flax (10)18	.45
Dwarf compact shrub with clean light green foliage resembling phlox. Sun loving shrub with bright yellow flowers.			
RHAMNUS alaternus. Italian Buckthorn (8)18	.45	1.75
A large evergreen shrub or small tree with appealing dark green heavy leaves. Deep blue berries appear in the fall.			
RHODODENDRON fragrantissima (7)	(2-gal.—2.50)	1.00
Sensational for its very large fragrant creamy white velvet textured flowers. Glossy green foliage covered with rustic colored hairs.			
RHUS lancea (9)20	.50
Small evergreen tree or large shrub with divided foliage. Very attractive.			
Rhus virens (9)25	.75
Evergreen sumac with outstanding qualities. Wonderful for filler or specimen with its showy foliage.			
RHYNCHOSPERMUM fragrans.			
(Trachelospermum fragrans) (10)20	.60	2.00
Very tropical looking evergreen vine having leaves that are large and elliptical. The flowers are white and fragrant.			
Rhynchospermum jasminoides. Star Jasmine (9)20	.50	1.75
Strong growing bush or evergreen vine with deep green leathery foliage. Very fragrant star-shaped flowers.			
1-gal. staked60	5-gal. staked	2.00
5-gal. espalier	4.50		
ROHDEA japonica (9)75
Has dark green sword-like leaves. Produces a short spike of tight flowers followed by large bright red berries.			
RICINUS communis. Red Castor Bean (8)50	1.75
Large evergreen shrub with large tropical serrated leaves deep red in color. Fast grower.			
ROSA banski (5)30	.75
Miniature double yellow flowers set against green foliage with light tints. Vigorous grower.			
Rosa Centennial Miss. (Pat. No. 1301) (5)35	.75
Miniature rose with semi-double pink flowers.			
Rosa Cutie. (Pat. No. 1302) (5)35	.75
Miniature rose with double red flowers. Very fragrant.			
Rosa Mermaid. Mermaid Rose (5)25	.60	2.00
Old fashioned single rose that is excellent for growing on fences or as a ground cover. Large fragrant sunrise-yellow flowers.			
Rosa Oakington Ruby (5)20	.60
Dwarf miniature type rose. Deep red double flowers.			
Rosa Patty Lou. (Pat. No. 1335) (5)50	.75
The first bi-color miniature rose. Double rose colored flowers on top with a soft silver-pink underneath.			
Rosa rouletti (5)20	.60
Miniature rose growing 6" to 8" high with double pink flowers during the summer.			

	2 1/4" Pot	1-Gal.	5-Gal.
ROSMARINUS foresteri. Santa Barbara Rosemary (8)18	.50	-----
The finest Rosemary grown. Prized for its deep green foliage and perfect, small shrub beauty. Semi-prostrate.			
RUSCUS aculeatus. Butcher's Broom (7)20	.60	-----
Rigid, erect growing evergreen shrub. Leaf-like branches. Likes dense shade.			
SALVIA pitcheri. Blue Salvia (7)18	.45	-----
Hardy perennial with grayish-green foliage. Deep blue flowers.			
SANTOLINA chamaecyparissus. Lavender Cotton (8)50	-----
A low expansive plant with dense gray foliage of pleasing texture producing showy buttony gold flowers on long stems.			
SAPIUM indicum (7)75	2.50
Beautiful deciduous tree to 40 feet. Unmatched for its outstanding coloring of the foliage in fall.			
SARCOCOCCA ruscifolia (7)18	.50	1.85
Evergreen shrub with shiny waxy leaves. Dense habit of growth. Will thrive in dense shade.			
SAXIFRAGA rubicunda. (Bergenia cordifolia) (8)20	.50	-----
Growth similar to lingulata alba but flowers are pink. Wonderful for border plantings.			
Saxifraga lingulata alba. White Saxifraga (8)20	.60	-----
A small evergreen plant for shade with deep glossy-green leaves. Clusters of white flowers appear in early spring.			
SCHEFFLERA actinophylla (10)20	.60	2.50
Very versatile evergreen shrub with glossy-green foliage. Small tree or used as a tub specimen.			
Schefflera digitata (10)			3.00
Beautiful evergreen tree to 25 feet with compound-toothed leaves. Very deep green.			
SCHINUS molle. California Pepper Tree (8)18	.50	2.00
Medium-sized hardy evergreen tree with graceful weeping branches and feathery foliage.			
Schinus terebinthifolia. Brazilian Pepper Tree (9)18	.50	2.00
Evergreen tree with large deep green leaves. Nice shaped tree.			
SEAFORTHIA elegans. King Palm (9)30	1.50	-----
Tall slender trunk with long arching fronds of bright green leaves. One of our most elegant palms.			
3" pot50		
SENECIO greyi (8)60	-----
A hardy perennial to 3 feet, with showy heads of golden yellow flowers. Leaves are a gray color.			
SERISSA foetida variegatus (8)18		-----
A small compact shrub with variegated foliage. Very desirable.			
SKIMMIA japonica (female) (7)75	-----
A dwarf compact growing shrub with glossy deep green foliage. Grows best in partial shade.			
SOLANDRA guttata. Cup of Gold (10)20	.50	2.00
A strong evergreen vine with huge yellow flowers striped with purple. Large glossy-green leaves.			
SOLANUM marginatum (9)20	.50	1.85
Evergreen shrub with blue-green leaves, characteristic white on leaf edges. Spines originating from leaf veins.			

	2 1/4" Pot	1-Gal.	5-Gal.
Solanum pyracanthum (9)20	.50	1.85
Evergreen shrub covered with narrow lobed, medium green leaves. Orange colored midrib and spines.			
Solanum rantonetti improved. New Blue Solanum (10)18	.45	1.75
Medium to large free-blooming evergreen shrub or vine. Flowers are an inch across in deep blue with bright orange center.			
1-gal. staked60	5-gal. pyramid 3'	2.00
5-gal. tree-type	2.50		
Solanum robustum (9)20	.50	1.85
Densely spined evergreen shrub with deeply lobed rusty leaves. Bears small flowers.			
Solanum warscewizci (9)20	.50	1.85
Thorny shrub or tree to 20 feet. Mammoth dull green leaves with rust colored hairs.			
SOLLYA heterophylla. Australian Blue Bell (9)18	.50	1.75
Trailing evergreen shrub or creeping vine. Foliage small. Has dark green leaves and small blue-bell-shaped flowers.			
SOPHORA secundiflora. Texas Mountain Laurel (7)60	2.50
Evergreen shrub or small tree that bears violet-blue flowers during February to April.			
3" pot35		
SPARTIUM junceum. Yellow Spanish Broom (7)15	.45	1.75
A very erect shrub with practically leafless, quill-like green stems or branches and bright yellow pea-shaped fragrant flowers.			
SPATHODEA campanulata. African Tulip Tree (10)35	1.50	3.50
A fast growing evergreen tree in warm section, goes deciduous in cooler parts of California. Produces beautiful, large, scarlet, cup-shaped flowers in winter.			
SPIRAEA Anthony Waterer. Dwarf Pink Bridal Wreath (4)15	.45
Dwarf deciduous shrub to two feet with compact growth and flat heads of rosy-pink flowers. Full sun.			
Spiraea prunifolia. Shoe Button Spiraea (4)15	.45
Small deciduous shrub with spreading upright habit of growth with graceful branches. Produces double white flowers in spring.			
Spiraea reevesiana (S. cotoniensis). Double Bridal Wreath (4)15	.45
Hardy deciduous shrub to five feet with arching branches covered with clusters of double white flowers in spring.			
Spiraea van houttei. Bridal Wreath (4)15	.45
A hybrid producing festoons of tiny white single flowers. Deciduous.			
STENOCARPUS sinuatus. Firewheel Tree (10)			2.50
Evergreen tree native to Australia. Produces bright red flowers hanging in heavy umbels.			
STRELITZIA nicolai. Bird of Paradise Tree (9)		1.00	2.75
The flowers have realistic bird-like heads in white with blue tongues. Large banana-like leaves.			
3" pot50		
Strelitzia reginae. Bird of Paradise (9)30	1.00	2.75
Produces exotic flowers of brilliant orange and bright blue resembling the crested head of a tropical bird.			
3" pot50		
SYRINGA persica Hathaway (4)18	.50
An attractive lilac having long dense clusters of fragrant lavender flowers in spring.			

	2 1/4" Pot	1-Gal.	5-Gal.
Syringa persica lacinata. Cutleaf Persian Lilac (5)18	.45
Deciduous shrub to six feet with finely cut light green leaves. Fragrant bright lavender flowers.			
Syringa rothomagensis (S. chinensis). Chinese Lilac (4)18	.45
Large purple blossoms are borne profusely in the spring. Deciduous hybrid.			
TABERNAEMONTANA grandifolia (10)20	---	-----
A tropical evergreen shrub or small tree used for unusual plantings. Its fragrant white flowers are followed by berries in the summer.			
3" pot35		
TAMARIX hispida coolidgei. Pink Tamarix (4)18	.45	-----
Drought and heat resisting shrub with plummy light green scale-like leaves. Has billowy masses of pink flowers.			
TECOMA australis (10)18	.50	2.00
Evergreen vine with yellowish-white flowers spotted with purple. Funnel shaped flower.			
Tecoma capensis aurea. Yellow Cape Honeysuckle (9)75	-----
Free growing evergreen vine with showy golden yellow trumpet shaped flowers.			
Tecoma capensis. Orange Cape Honeysuckle (9)18	.45	1.75
Free growing large evergreen shrub or vine with glossy-green pinnate leaves and brilliant cluster of orange-red trumpet-shaped flowers.			
5-gal. staked	2.00		
Tecoma jasminoides rosea. Two-toned Trumpet Flower (9)18	.60	2.00
Delicate climbing evergreen vine with light green foliage and large clusters of light pink flowers with crimson throats.			
TERNSTROEMIA japonica (8)60	2.00
Tropical evergreen trees or shrubs with solitary or clusters of pale yellow flowers. Produces attractive berries.			
TETRAPLASANDRA meranda (9)			3.00
Similar to Schefflera in appearance and growing habits but much hardier. Prefers shade.			
TEUCRIUM chamadrys (5)15	---	-----
Procumbent evergreen shrub having glossy leaves and reddish-purple flowers. Adapted to heat and drought.			
Teucrium fruticans (7)18	.50	-----
Very useful plant in rock or wild gardens. Silvery-gray foliage which bears small blue flowers.			
THEVETIA nerifolia. Yellow Oleander (10)			1.85
Evergreen tree with alternate leaves. Has strikingly large yellow funnel-like flowers followed by black fruit.			
THUNBERGIA gibsoni. Orange Clock Vine (10)18	.60	-----
Outstanding evergreen vine for its abundant and effective rich orange flowers.			
Thunbergia grandiflora. Blue Sky Vine (10)18	.50	2.00
Twining evergreen vine making a lush rapid green cover with large sky-blue trumpets with white throats.			
TIPUANA tipu (7)20	.60	-----
Very rapid growing evergreen tree to 30 feet. During June and July branches droop with yellow flower.			
TRISTANIA conferta. Brisbane Box (9)18	.50	2.00
A shrub or evergreen tree which grows quite large and produces small white flowers borne in axil of leaves.			

2 1/4" Pot 1-Gal. 5-Gal.

TURRAEA obutsifolia. Star Bush (10)75	2.00
Refined shrub to five feet. Excellent for hedges. Blooms profusely all summer.		
THEA sinensis. Camellia Thea (8)25	-----
Shrub or small evergreen tree. Long deep green leaves and showy white fragrant flowers resemble Camellias.		
ULMUS parvifolia sempervirens. Evergreen Elm (7)25	.60 2.25
A fine small evergreen tree for lawn planting. Rounded head with gracefully arching branches. Deep green leaves.		
Ulmus parvifolia sempervirens Drake (7)25	.60 2.25
Rich evergreen foliage on sweeping branches which grows more upright than the regular evergreen elm.		
VERBENA Peruvian Flaming (9)	(3" pot — .35) .20	.50 -----
Delightfully spreading evergreen shrub with almost a continuous array of bright flaming red flowers all year. Ideal for banks and ground covers.		
VERONICA Autumn Glory (Hebe Autumn Glory) (9)20	.50 -----
Very showy free-flowering evergreen shrub. Compact grower with deep lavender-blue flowers.		
Veronica andersoni (Hebe andersoni) (9)18	.45 -----
Compact evergreen shrub with smooth light green leaves, and spikes of lavender-blue flowers.		
Veronica buxifolia (Hebe buxifolia) (7)18	.45 -----
A fine-leaved shrub for hedge plantings. Evergreen.		
Veronica imperialis (Hebe speciosa) (9)18	.45 1.75
Excellent evergreen shrub with thick rounded leaves with purple veins. Flowers in pointed spikes are deep wine-red.		
Veronica menziesi (Hebe Menziesi) (9)20	.50 -----
Dwarf compact evergreen shrub with small dark leaves. Produces white flowers.		
VIBURNUM burkwoodi (5)20	.60 1.85
Hardy deciduous shrub producing large waxy white, pink-flushed flower clusters. Has a Gardenia fragrance.		
3" pot35		
Viburnum cinnamomifolium (7)20	.60 -----
Large growing evergreen shrub. Foliage is heavily veined with a velvety texture.		
Viburnum dilatatum. Linden Viburnum (5)18	.50 -----
Dense and compact habit of growth with nice green foliage followed by bright red berries.		
Viburnum ichangense (6)20	.50 -----
Fast growing with graceful branches and deeply veined leaves.		
Viburnum japonicum (8)15	.45 1.75
Compact evergreen shrub with large glossy-green leaves. Produces white flowers.		
Viburnum mariesi (6)20	.50 -----
Heavily veined dark green leaves. Produces white flowers in spring. Very showy. Deciduous.		
Viburnum odoratissimum. Sweet Viburnum (8)18	.45 1.75
Evergreen shrub. White flowers. Large thick green leaves.		
Viburnum opulus sterile. Eastern Snowball (3)18	.50 1.75
Hardy deciduous shrub to 8 feet produces globular clusters of pure white flowers in May and June.		

	2¼" Pot	1-Gal.	5-Gal.
Viburnum rhytidophyllum (5)18	.50
Evergreen shrub to 10 feet with deep green leathery leaves. Very attractive.			
Viburnum suspensum. Sandankwa (8)15	.45	1.75
Very showy evergreen shrub for foliage and flowers. Thrives well in sun or shade.			
Viburnum tinus robustum (7)18	.45	1.75
Medium-sized evergreen shrub with luxuriant deep green foliage. Has white flowers blushed with pink.			
Viburnum tinus variegata (7)18	.50
Variegated form of Viburnum tinus.			
Viburnum tomentosum plicatum grandiflorum (4)20	.50
Produces pure white flowers perfectly rounded 3" to 4" across. Clean foliage. Very hardy.			
VITEX lucens. New Zealand Chaste Tree (9)60	2.50
Very desirable semi-evergreen tree with dark green foliage and masses of countless pink flowers.			
Vitex macrophylla. Lilac Chaste Tree (6)15	.45
A graceful deciduous shrub with long spikes of lovely pale blue flowers. Very vigorous grower.			
WASHINGTONIA robusta. Mexican Fan Palm (8)18	.50	2.00
Tall and slender fan palm with brilliant green foliage. Rapid grower.			
WEIGELA Bristol Ruby. (Pat. No. 492) (4)35	.60	1.85
Hardy deciduous shrub with a deep red flower and dark green foliage.			
Weigela rosea. Pink Weigela (4)15	.45
Medium-sized deciduous shrub producing masses of pink flowers in spring.			
Weigela rosea variegata (4)15	.45
Variegated white and green foliage with profuse pink and white flower clusters.			
Weigela vaniceki (4)18	.45	1.75
Very hardy upright growing shrub with masses of bright red flowers. Has especially long blooming period.			
WIGANDIA macrophylla (9)18	.50	1.85
Large shrub or evergreen tree with large heart-shaped leaves and blue-violet flowers.			
WOODWARDIA simplex. Chain Fern (9)75
Perennial fern suited to outdoor culture. Requires an abundance of moisture to grow well.			
Woodwardia frimbriata (7)75	2.50
Large fern with divided fronds. Likes lots of moisture and shade.			
XYLOSMA senticosa. (Myroxlon senticosum) (8)20	.50	1.75
Trailing evergreen shrub with light glossy-green foliage. Many versatile uses. New growth has a reddish tint.			
5-gal. espalier 4.50			

ZELKOVA serrata. Japanese Keaki Elm (5)

Attractive elm-like tree—but more disease resistant than most elms. Excellent for dwarfing. Upright. Deciduous usually.

2¼" pot20 1-gal.60 5-gal. 2.50

ZINGIBER officinale. (Yellow Ginger) (9)60	2.00
---	-------	-----	------

Dwarf growing ginger to approximately 3'. Produces creamy-yellow flowers with a ginger fragrance.

QUANTITY DISCOUNTS

1000 Plants	10%
500 Plants	5%

These discounts apply if the following requirements are met:

1. All plants must be of one variety.
2. All plants must be of one container size.
3. All plants must be shipped at one time.

TEMPERATURE RATINGS

(HARDINESS)

If you are in doubt of the hardiness of any plant, see the zone number placed at the right of the variety listed. Then refer to the map, pages 38, 39. These temperature ratings show our honest opinion; however, we disclaim all responsibility for correctness.

WHOLESALE ONLY

This list is intended for the trade only. If it should be sent by mistake to people not entitled to trade prices, we would greatly appreciate if you would notify us at once, so that our mailing list can be corrected.

F. O. B. AZUSA—All prices quoted in this catalog are F. O. B. Azusa, California

TERMS—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to 1% monthly interest charge and sight draft. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

CLAIMS—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company.

Please file a claim at once with the transportation company, if your stock has been damaged or delayed in transit. In this connection we shall be glad to assist you in any way we can.

WE ARE A PINTO-TAG NURSERY—This means that our nursery stock can be shipped to all counties in California and released for planting without further inspection. (Tulare and Ventura counties are exceptions).

ACKNOWLEDGMENT—Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipping, but we assure you that this will not be more than is absolutely necessary.

Non-Warranty—The Monrovia Nursery Company gives no warranty, express or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargos or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

PLANT PATENT & TRADE MARK NOTICE

The following provisions apply to all patented or trade-marked plants we sell. Any asexual reproduction or distribution, by sale, gift, or otherwise of scions, buds, or cuttings for such reproduction, without license from the patent owners, constitutes an infringement of the patent for same. Any unauthorized reproduction, sale or other distribution of reproducing propagating material of these plants prohibited by the patents or trade-marks, will subject the reproducer, seller, or distributors thereof to prosecution for infringement under the Patent and Trade-Mark Laws.

FUMIGATION

For the convenience of buyers in those states whose laws require fumigation of incoming plant shipments, MN operates two modern fumigatoriums. Although this operation is under the expert supervision of a full-time entomologist, MN assumes no liability for plant damage or loss due to fumigation. Actual operating costs are charged as follows:

2 1/4" pots	2¢	1-gal.	7¢	5-gal.	25¢
3" pots	4¢	2-gal.	15¢	7-gal.	40¢

SHIPPING

If you do not state your preference for method of shipping, all arrangements will be made for you with speed, safety and economy in mind.

Out-of-state shipments are made most economically by our contracted carrier motor freight service.

A full semi-truck load will consist of approximately 27,000 lbs. of plant material. A combination or split load consists of several orders each consigned to a different purchaser.

To have your order included in a combination load, a minimum order of \$250.00 is necessary, and delivery will be made as soon as enough orders are accumulated to fill a semi-truck. This minimum order of \$250.00 is required as the trucking concern under contract will make only a limited number of stops per trip. Trucking charges are a cash transaction and are due to Monrovia Nursery immediately after delivery of stock. Do not pay the driver.

If you are unable to meet the \$250.00 minimum order, undoubtedly a nursery in your immediate area could add to the order to make this required minimum, and have stock delivered to one nursery. A number of our customers pool their orders this way.

When ordering a truckload or a carload, beyond our free delivery area, packing, loading and bracing are free.

Approximate Weights of Plants in Following Container Sizes:

1-gallon cans.....	8 lbs. each	2 1/4" pots	3/10 lb.
2-gallon cans.....	20 lbs. each	3" pots	1/2 lb.
5-gallon cans.....	50 lbs. each	5" pots	2 lbs.
7-gallon cans.....	60 lbs. each	7" pots	3 3/4 lbs.

IF YOUR ORDER
ARRIVES BY OUR TRUCK CARRIER SERVICE,
DELIVERY CHARGES ARE DUE AND PAYABLE
IMMEDIATELY UPON RECEIPT OF INVOICE.
PLEASE DO NOT PAY THE TRUCK DRIVER.

PACKING

There is no charge made on packing lining-out stock (2 1/4" and 3" pot-sized plants) and Azaleas. These are shipped by Railway Express unless specified differently by you. To insure safe and economical delivery, the plants are transferred from clay pots into waxed paper pots, and securely packed in sturdy, lightweight cartons. Please remember that shipping the larger plants (1 and 5-gallon sizes) by express or public motor freight is very expensive. Not only are the transportation rates high, but it is necessary that nursery stock be packed which means a packing charge as follows:

1-gallon cans	20¢	Labor and materials for stacking flats.....	35¢
2-gallon cans	35¢	Cost of flat	25¢
5-gallon cans	50¢		

DELIVERY SCHEDULE

This schedule is arranged to give you the best possible delivery service and is followed closely. However, any time you place an order for a full truckload, shipment can leave the nursery within a few days after the order is placed, regardless of the schedule. If the first of the month falls on a **Wednesday or earlier**, that week is considered the **first week** of the month as pertaining to the schedule below. Keep in mind that the minimum orders listed in the schedule are required if your stock is to be shipped by our truck or contracted carrier, however, **only an order of \$20.00 is required to have your stock shipped by express motor freight, or parcel post.**

Please—We must have your order a few days before the scheduled delivery. This not only gives us more time to select better stock, but it does insure delivery on schedule.

Area	Minimum Delivery Order	Time of Delivery
L. A. Metropolitan Area Including San Fernando, Long Beach, Santa Monica and Covina areas.	\$20.00	Weekly

Out-of-State Shipments—To all states. Regular scheduled deliveries are made during spring and fall by contracted carrier service (motor freight)—full loads or split loads. Minimum order—\$250.00.

We will also arrange for railroad deliveries if you prefer.

A New Spreading Abelia
Abelia grandiflora prostrata

PLANT PATENT NO. 1431

THE traditional loveliness of *Abelia grandiflora* in a new, versatile spreading form for landscaping! Ground covers, bank plantings and low groupings are excellent uses for its striking beauty. Its spreading branches wear shiny, intensely green leaves and new growth has a delightful red tinge. Delicate white flowers decorate the shrub for the greater part of the summer appearing like a city lighted at night. It is a healthy, vigorous grower that endures a wide range of temperatures. See description page 20.
